ABOUT

The Little Debbie costume comes with everything needed for picture event memories. Let your sampling fans meet their real life icon! Suggested female volunteer has brown hair and is at least 5'4". Costume comes with gingham dress, white apron, basket for samples and straw hat.

CLEANING

Once the volunteer is finished as Little Debbie, please spray the costume with a 25% water and 75% rubbing alcohol solution. If you do not have this, please let us know when returning. We will handle a deep cleaning as well as spot treatments upon its return.

DO NOT spray with Febreze or other scented odor removal.
