

ZAIN THE ZEBRA

INFORMATION & CARE GUIDE

ABOUT

NEW and IMPROVED - Zain the Zebra is a true icon that is beloved by many! Fun, friendly and little zainy, this larger than life zebra will bring the stripes to any event and tons of smiles, too! Volunteer must be at least 5'5" to 5'7" to wear. No one over 5'7" is recommended due to the helmet position in his head.

CLEANING

Once the volunteer inside of the mascot is finished, please spray the inside of the mascot's body with a 25% water and 75% rubbing alcohol solution. If you do not have this, please let us know when returning. We will handle a deep cleaning as well as spot treatments upon its return.

DO NOT spray with Febreze or other scented odor removal.

DO NOT use heat on the costume.

DO NOT spray the outside of the mascot with the rubbing alcohol and water solution.

ATTIRE

Dress comfy, this mascot comes with an included white body suit that is covered by the mascot.

SHOES

We suggest running shoes inside of the mascot's feet.

PRO TIP

For comfort, a built-in fan and helmet helps make this mascot easy to wear.

STORING & RETURNING

Please make sure to keep the head, body and shoes of Zain separate from each other. How the mascot arrives should be how the mascot is stored until use. Please make sure to return the mascot the same way it arrived.
