

LA CROSSE VELOCITY VOLLEYBALL

In partnership with Central and Logan High Schools, the Boys & Girls Club offers an 8th-11th grade Club Volleyball Program. Once teams are created, practices will be held on Sunday & Monday evenings with tournaments being on select weekends in January, February and March. All teams will participate in 5-6 events throughout the season.

First practices will be scheduled for Sunday, November 30th

We plan to have teams at the 14U, 15U, 16U & 17U levels with maximum 10 girls per team. Opportunities to be a "Practice Player" (only attends practices and does not play in tournaments) are also available at a reduced cost for those who are interested and/or do not make a team roster.
