BGC BASEBALL & SOFTBALL

**BOYS & GIRLS CLUBS
OF GREATER LA CROSSE**

YOUTH DEVELOPMENTAL PROGRAM

Our 8U Baseball & Softball programs play a key role in helping young athletes make the transition from coach pitch to kid pitch. This program focuses on teaching the flow and fundamentals of the game while giving players the chance to try pitching in real game situations. It's all about building confidence, learning new skills, and preparing for the next level in a fun and supportive environment!

Spring Practices

After our opening day session, our 8U program will continue with two weeknight evening practices throughout the month of May in preparation for the summer league season.

Summer League Season

During the months of June and July, our 8U teams will continue to build their skills with one practice each week, along with one league game per week through the local Seven Rivers Athletic Association League. Official game schedules will be released toward the end of May, but games are typically held at 5:30pm or 7:00pm.
