COR Men's Ministry

Calling All Men: Faith, Fellowship, and Brotherhood

Men are often called to lead, support, and protect—at home, at work, and in the community—but you don't have to carry that responsibility alone.

Notre Dame's Men's Ministry offers a straightforward, low-pressure place to connect with other guys navigating the same daily challenges. We gather to grow in our Catholic faith, sharpen one another through honest conversation, and build strong friendships anchored in Christ.

Whether you are looking to deepen your prayer life, tackle life's big questions, or simply grab a coffee with fellow parishioners who have your back, there's a seat at the table for you.

No deep theological expertise required—just bring yourself.
