# Welcome -TO- INDIAN LAKE

On behalf of the Indian Lake Area Chamber of Commerce and Visitors Bureau, we welcome you! As a Certified Tourism Ambassador, I'm proud to promote our members to our residents and visitors all year. The Indian Lake Region is known as one of Ohio's best in-state destinations, hosting more than two million visitors a year.

In the 1920s, Indian Lake was known as the "Midwest's Million Dollar Playground" with an amusement park, dance hall, several hotels, and all the lake activities to enjoy. We were a true destination. This year's guide is a tribute to our rich history. Enjoy a look back in time through this issue. We also included several recent history-making events including the total solar eclipse, northern lights, and tornado.

Today Indian Lake offers bike and walking paths, nature preserves boat ramps, all-inclusive playgrounds, kayak launches, parks with shelter houses, boat and jet ski rentals, many lakefront rentals, beaches with sand volleyball, Pickleball courts, brand new splash pad, and so much more. If you're looking for fun, you're sure to find it here!

*We Welcome you,  
Amber Fagan*

EVENTS

LEGISLATIVE LUNCHEON  
*Date to be Announced*

The Indian Lake Area Chamber of Commerce sponsors the Annual Legislative Luncheon on the first Friday of February each year. At this luncheon numerous governmental, community, and business leaders are in attendance. Speakers usually include ODNR Representatives, Representatives from the State of Ohio including Senators, State House Representatives, U.S. Congressmen, and representatives from ODOT District 7.

INDIAN LAKE BOAT SHOW  
*February 28-March 02*

The Indian Lake Area Chamber of Commerce is a proud co-sponsor of the Indian Lake Boat Show. The Annual Boat Show, organized by the Indian Lake Boat Dealers Association, attracts thousands of people each year. The U.S. Coast Guard and the Ohio Department of Natural Resources Division of Watercraft will be on hand to answer your boating questions. Spend-A-Day Marina, Spend-A-Day Avalon and Used Boats, and Bud's Marine all take part in the Indian Lake Boat Show.

CABIN FEVER STEAK FRY  
*April 06*

Kick off the season at Indian Lake with the Cabin Fever Steak Fry. Held on the first Saturday of April, join us for a steak dinner, auction, 50/50 drawing, and entertainment. For more information call the chamber at (937) 843-5392. All proceeds go to the Fireworks Fund.

PUTT AROUND THE LAKE  
*June 14*

Putt around to 22 different establishments by boat or by car around Indian Lake. Choose 9 out of 22 of your best scores to win. Registration is \$100 per team of four. Starts at 10:00AM and concludes at 7:00PM. For more information call the chamber at (937) 843-5392.

LIGHT UP THE LAKE SPECTACULAR  
*July 05*

Bring the family to Old Field Beach for the day. Stay for our famous fireworks starting at 10:00PM. The Indian Lake "Light Up the Lake" Spectacular is one of the largest fireworks shows in Ohio. Our show this year will be a full 30 minutes and will be the biggest in the state!

PARTY AT THE BEACH  
*July 26*

Come party with us at Old Field Beach! This year we are excited to welcome Alan Carl, North To Nashville, and the Naked Karate Girls. Must show ID for the consumption of alcohol. Call the chamber for tickets at (937) 843-5392. Presale tickets are \$20 and \$25 at the gate. Gates open at 11:00AM.

RING OF FIRE  
*August 31*

Help us mark the beginning of autumn with Ring of Fire. Inspired by an American Indian tradition, Indian Lake has been celebrating Ring of Fire since our amusement park days. Volunteers and homeowners place flares around the 5,800 acre lake to create the ring of fire. Flares are available at businesses from around the lake starting three weeks before the event. Call the chamber (937) 843-5392 for more information.

VOLUNTEER APPRECIATION RECEPTION  
*September - Date to be Announced*

This is held to show our gratitude to our volunteers who have dedicated their time and love for the Indian Lake Chamber events through the year. Without them, none of this would be possible.

LAKEVIEW DOWNTOWN CHRISTMAS  
*December 05-07*

Beautiful Downtown Lakeview will host Christmas in Lakeview with horse drawn wagon rides, carolers, Christmas parade, petting zoo, kids Christmas store, Santa, raffles, and more. Most downtown businesses will have special offers. Call (937) 843-4100 for details.

INDIAN LAKE CHAMBER ANNUAL DINNER  
*December 12*

Presentation of Citizen of the Year, Beautification, Emerging New Business and Volunteer of the Year awards. Installation of 2024 Officers and Board of Directors.

### FOX ISLAND PLAYGROUND

The playground at Fox Island is an all-inclusive playground. This means that not everyone will be able to use every piece of equipment, but everyone will be able to use some piece of equipment. No one will be left out. Children and adults with disabilities can access the playground via wheelchair ramps, and use the handicapped accessible equipment along with everyone else. There are beautiful memory benches for adults to sit and watch their children play.

### DISC GOLF

The disc golf course is located at Old Field Beach. It offers 9 holes and 9 baskets. Its mostly flat and lightly wooded. The par is 27 or 32 depending on where you're playing from. It's very cart friendly. There is a public beach, boater's beach, dog park, playground, volleyball court, and public shelters.

### PEW ISLAND WALKING PATH

This is a small island off of Cranetown Island that is part of Indian Lake State Park. It has been preserved as a park area. There is a parking lot to park in and walk the beautiful trail. Enjoy this 0.7 mile loop that takes an average of 12 minutes to complete.

### HOMEGROWN YOGA

Homegrown Yoga has two studios. One located in downtown Bellefontaine and one in Russells Point. They offer on-location classes, in-studio classes, all levels of Vinyasa, aerial, paddleboard, chair, aroma, and gentle yoga. They also have mat Pilates, posture IQ, aerial sculpt, and yoga sculpt. Bring you kids for yoga and art class. Interested in going on a yoga retreat? They offer retreats both stateside and international.

### ANYTIME FITNESS

Located in downtown Bellefontaine, Anytime Fitness offers a 24/7 access to workout. They help people thrive through a fit and active lifestyle. Their coaches lead team and one-on-one workouts. They use science and experience to maximize calorie burn, build strength, and cultivate community in their workouts. Anytime Fitness is 10 miles from Indian Lake and located at 210 Columbus Avenue.

### INDIAN LAKE BIKE PATH

Try this 5.8 mile out-and-back trail near Lakeview. It's a fantastic, easy route. Enjoy the view of beautiful Indian Lake for approximately 1 hour and 40 minutes. This is a wonderful time to relax and take in the sounds of the waves, birds, and possibly the sighting of a bald eagle.

### PICKLEBALL

Pickleball is the fastest growing sport in the country. It is easy to learn and is played by people of all ages and abilities, making it a great way to stay active. Pickleball is a paddleball sport that combines elements of tennis, badminton, and table tennis. Two courts are available at the Russells Point Municipal Building, located at 433 State Route 708.

After two years of fundraising and planning, The Indian Lake Ohio Pickleball club has broken ground at Oldfield beach for their 6 outdoor courts. We are beyond grateful to be in partnership with the Indian Lake Development Corporation, the State Park and those in our community who have donated their time and financial support to make this project a reality.

### INDIAN LAKE SCHOOL TRACK

Ready for some exercise? Enjoy the track at Indian Lake High School. It's a quarter mile paved track that is open from dawn to dusk daily. What a great way to get in shape.

### JOHN & MARY RUDOLPH NATURE AREA

Experience the beauty of nature right here in Russells Point. 53 acres of wetlands, wildflowers, birds, and butterflies. Take any of the more than three miles of trails and spend an afternoon exploring. Benches are scattered along the trails and there is a kayak drop-in along the Great Miami River.

### PATRIOT KAYAK ADVENTURE

Patriot Kayak Adventure is a new kayak rental business. They provide their customers with high quality, comfortable products. They offer Hoodoo single and tandem fishing kayaks and Crystal Clear kayaks. They launch out of Moundwood Kayak Launch.

### INDIAN LAKE ROLLARENA [www.skateindianlake.com](http://www.skateindianlake.com)

This is one of the oldest businesses at Indian Lake. Enjoy the games, music, and lights as you skate on the newly renovated floor.

## Historic Stops

### DUNNS POND INDIAN MOUND

**Open from dawn to dusk.**

Located at the corner of Mound and Mohawk Streets in the Moundwood Allotment. The mound was built by the people of the Hopewell culture. Possibly 24 mounds once existed around Indian Lake. The Dunns Pond Mound is one of two or three still visible.

### BICKHAM AND MCCOLLY COVERED BRIDGES

The Bickham bridge was built in 1877 over the south fork of the Great Miami River. The McColly bridge was built in 1876 over the Great Miami River. Both are still in use today. The Bickham bridge is at the intersection of County Road 98 and County Road 38 near Buds Marine. The McColly bridge is on County Road 13 off State Route 235 South.

### SANDY BEACH BRIDGE

The Sandy Beach Bridge was built in 1924–1925. It served as a pedestrian walkway over the harbor to connect the amusement parks on either side. Today, the Sandy Beach Bridge connects the walkways and monuments relating to the history of Indian Lake.

### OUR LADY OF FATIMA

Erected in 1963 by Mr. George Quatman and the American Society of Ephesus. Standing forty feet tall, Our Lady welcomes boaters to Russells Point Harbor.

## Natural Wonders

### OHIO CAVERNS [www.ohiocaverns.com](http://www.ohiocaverns.com)

Known as the largest cave system in Ohio, the Ohio Caverns stays a constant 54 degrees year-round. Explore the caverns with tours for everyone including those with limited mobility. The Crystal King at Ohio Caverns is the largest and most perfectly formed stalactite found in any cave.

### CEDAR BOG [www.cedarbog.org](http://www.cedarbog.org)

Boasting the best boardwalk trail in Ohio, Cedar Bog is a glacial remnant left behind by the retreating Wisconsin Glaciation about 12,000–18,000 years ago. Rare and endangered plants and animals inhabit the fen. Boardwalks extend throughout the fen for the safety of visitors and the protection of the wild things.

 INDIAN LAKE

The April 8, 2024 Solar Eclipse was the first time in more than 200 years that a total solar eclipse occurred in Ohio. And Logan County was in the primary path of the full eclipse! While Logan County has seen partial solar eclipses, the last in 2017, being part of a total solar eclipse does not happen very often. The last time was in 1806 and the next time will be 2099! The three plus minutes of darkness as the moon passed in front of the sun was a sight few get to witness.

# Friends SERVING Friends

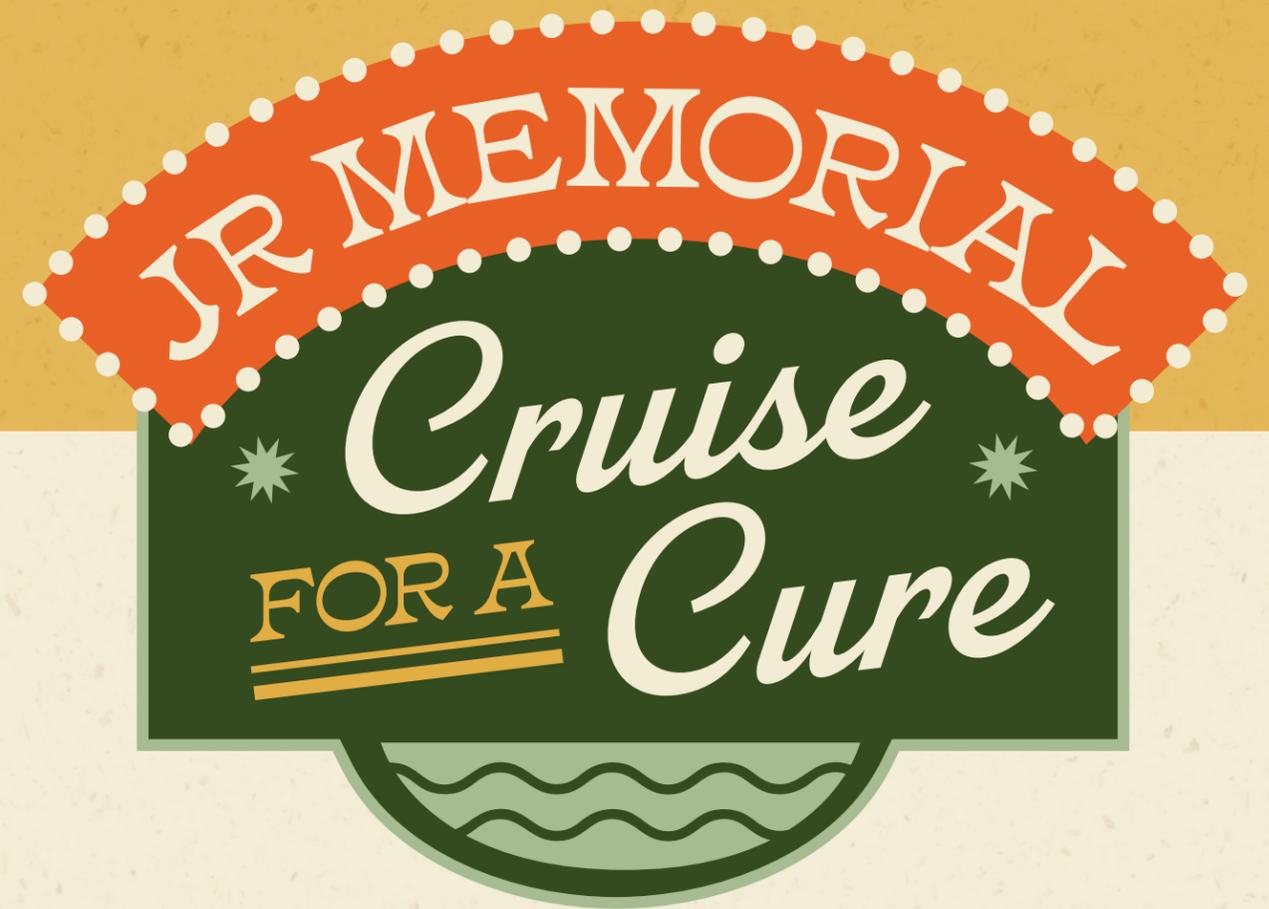

Friends Serving Friends is a nonprofit organization that was established at Indian Lake in 1980. Local business owners saw a need amongst their community and decided to address that need. They started out very informally with a community member sponsored holiday dinner which was free to the public. The concept of the dinner mirrored those held all over the country. They realized there were some within the community who could not afford to celebrate.

A community dinner was the perfect way for everyone to observe the holiday together. Santa Claus visited and had toys for all the children, an afternoon of entertainment, and a host of volunteers to serve the hot meal, complete with drinks and cookies for dessert. The food, toys, and time were donated by many businesses and area residents. Some of the founders have since passed, but the organization continues to grow.

Besides hosting the Annual Holiday Dinner, we also help with Easter and Halloween events in the community.

People still need help after the holidays have passed. The assistance has come in many forms: scholarships to Indian Lake students, gift cards for gas or groceries, payments directly to utility companies for those with disconnected service, children's glasses, school lunch fund, and collecting clothing and furniture for those displaced due to circumstances beyond their control. Friends Serving Friends' primary fundraising comes from monetary donations and the Annual Golf Outing that is held in June every summer. The group continues to grow thanks to the generosity of the Indian Lake Community. In 2023, the contributions were approximately \$50,000 to the community plus \$7,000 in scholarships to the Indian Lake High School.

The holiday dinner for this year will be held the first or second Saturday of December. Check the community calendar for the exact date. If you wish to donate or participate in any of the Friends Serving Friends events, you may contact Ray Arthur at (937) 935-5566.

The JR Memorial Cruise for a Cure event has once again been added to the Indian Lake Community Calendar with this year's event taking place on Saturday June 28, 2025, at Lulu's at the Lake in Russells Point, Ohio.

The "JR" serves as a memorial to former Indian Lake resident and OSU fan, Jerry Richardson, who passed away in 2013 of a malignant brain tumor. The event also acts as a fundraiser for the Buckeye Cruise for Cancer and provides funding for cancer research at the James Cancer Hospital and Richard J Solove Research Institute at The Ohio State University.

The dedicated friends, residents and volunteers of the organization will be presenting the 13<sup>th</sup> annual rendition of the JR Memorial this year and we will be reinstating some of our more popular traditions such as the pub crawl prior to the event. The pub crawl will leave the harbor across from the Donut Shop around noon and visit two or three of Indian Lake's favorite pubs and return to the harbor around 4:00PM. A private cocktail party for qualifying sponsors will begin at 3:45PM and last until the gates to the public open at 5:00PM. Shucking Bubba Deluxe will give a private performance at the cocktail party and continue until 6:00PM.

Following Shucking Bubba Deluxe, the OSU alumni Band will perform and there will be a silent and live auction, a duck pond where everyone is a winner and a 50/50

raffle. The Fabulous Johnson brothers are back this year and will perform immediately after the live auction. There will be great food available for purchase from Lulu's at the Lake and beverages provided by Coors Light, Simple Times Mixers, and Buckeye Vodka. Former OSU players and coaches have been invited to join the fun and will help raise money for the cause.

Because of the tremendous support and participation by our sponsors and those who attended the 2024 event, the JR Memorial was able to raise \$315,000 for the Buckeye Cruise for Cancer and The James Cancer Research Center, bringing our 12-year total to close to \$2.5 million dollars!! The JR Memorial also contributes locally with donations having been made in the past to the Chamber of Commerce Fireworks Fund, the Russells Point Police Dept and the Alliance for Community Partnerships of Logan County.

The JR Memorial Committee wishes to thank once again the many sponsors, volunteers, and Indian Lake community, for their continued support of the event, and we welcome those who want to become involved with our cause. We are always striving to improve upon what we have accomplished!

We look forward to seeing everyone on June 28, 2025 at Lulu's at the Lake for the JR Memorial, and to hear one day those magical words.... We've found a cure for cancer!

## STATE PARK OVERNIGHT DOCKING PROGRAM

The Transient (overnight) Dock Program allows park visitors without seasonal docks to have extended dock privileges up to 14 days in a 30 day period at our temporary docking facilities.

### LOCATIONS:

- 2 – BLACKHAWK SEAWALL
- 2 – CRANETOWN ISLAND DOCKS
- 8 – LAKEVIEW HARBOR DOCKS

Number of Slips/Docks utilized per night: 12 total

\$17.00 per night/permit expires at 4:00PM

### MAKING A RESERVATION:

Permits are issued by reservation only and can only be made by calling the Park Office during business hours Monday-Friday, 8:00AM-4:00PM. We do not take answering machine reservations. Reservations can be made via credit card. Permits are limited per day and only 12 will be assigned to a specific area.

This permit guarantees you a specific dock or tie-up in these areas. Permits expire at 4:00PM. After that time your watercraft cannot be tied in any public dock space until the following day in which the 4-hour limit will take effect. This permit is for docking purpose only.

Only customers with an approved permit may utilize a transient dock space. Violations will be strictly enforced. For further questions, please call the park office at (937) 843-2717.

## INDIAN LAKE BOATERS HELPING BOATERS

We are a nonprofit all volunteer group dedicated to keeping Indian Lake safe and clean! Stranded on the lake? Need a tow or assistance? We have 2 full-time people on the lake and more available on weekends. You can message us on Facebook or call/text the numbers below for assistance! We also monitor channels 16 and 68 on the marine radio.

We do not charge for any assistance but we do rely on donors and member fees to stay afloat. We are always looking for more members, you can be an active member available to help or a financial member knowing we have your back. Thanks for your support.

If you are in need of assistance call (937) 210-9723.

## COURTESY (4-HOUR) DOCK PROGRAM

Four hour docking only slips are available for park visitors without seasonal docks or transient reservations. No overnight or extended stay at courtesy docks. For extended stay contact the park office for transient dock availability. Violations are subject to fine/towing.

### LOCATIONS:

- 2 – CRANETOWN ISLAND DOCKS
- 4 – MOUNDWOOD DOCKS
- 6 – BLACKHAWK SEAWALL
- 8 – PARADISE ISLAND DOCKS
- 8 – FOX ISLAND
- 18 – LAKEVIEW HARBOR
- 20 – RUSSELLS POINT HARBOR

## BOATING SAFETY

- Buckle up for fun. Always wear your life jacket and “keep what matters afloat” by making sure your friends and family are wearing theirs too.
- Know before you go. Check the weather before launching.
- File a float plan. Before heading out, let someone know when and where you’ll be boating and when you expect to return.
- Don’t forget your gear. Responsible boaters make sure that all necessary pieces of equipment, like fire extinguishers and life jackets, are on board before launching their boats.
- Leave the booze behind. Boating and drinking don’t mix. Avoid disaster on the water by being a sober skipper.
- Clean, Drain, Dry. Assure all watercraft equipment is free of debris and properly cleaned after boating to prevent the spread of invasive species.

ODNR will continue to work hard to provide safe boating access on Ohio’s inland lakes. To learn more about boating on Indian Lake, visit [ohiodnr.gov/indianlake](http://ohiodnr.gov/indianlake)

**DEVELOPMENT CORPORATION**

The Indian Lake Development Corporation (ILDC) is a dynamic, non-profit organization devoted to the enhancement and preservation of Indian Lake, Ohio. We play a crucial role in supplementing state budget funding through a diverse range of fundraising activities, including beloved events such as the Maple Syrup Festival and Fall Festival, alongside recycling centers, \$15 membership fees, capital funding requests, and generous donations. These efforts enable us to maintain and enrich Indian Lake State Park and its surroundings, ensuring that both residents and visitors continue to enjoy its beauty and charm.

Our mission is clear: to sustain and elevate Indian Lake's reputation as a premier destination for living and leisure. This mission is brought to life through a variety of projects and amenities that enhance the recreational experience and foster community spirit. From playgrounds and a 9-hole disc golf course to handicap-accessible boat docks and fishing piers, archery targets, commemorative benches, nature trails, walking paths, a dog park, and a library house, our initiatives are designed to provide inclusive and memorable experiences for everyone.

Looking ahead, we are excited about several key projects that reflect our commitment to continuous improvement. Among these is the construction of a striking 12-foot-high gateway sign in Lakeview, the development of 6 pickleball courts at Old Field Beach, and a new shelter house at Chippewa Park. Additionally, we are preparing

to launch an important reforestation effort in the fall of 2024, where, thanks to the generosity of our contributors, we will plant new trees to replace those lost in the recent tornado. These initiatives underscore our dedication to maintaining the vitality and appeal of Indian Lake as a cherished destination.

We are also proud to partner with Honda through their Honda Go program. This initiative brings together 25 to 40 Honda employees who volunteer their time for various tasks around the lake, from painting restrooms to conducting shoreline cleanups. Their support is a testament to the power of collaboration between private enterprises and community-focused organizations.

We invite you to be a part of our vibrant community and contribute to our ongoing efforts. By joining the ILDC as a volunteer, you will have the opportunity to make a tangible impact on the future of Indian Lake. We hold our meetings every third Wednesday of the month at 6:30PM (please note the new time), lasting no more than an hour. Your active participation will not only help shape the future of Indian Lake but also foster a sense of pride and belonging within this wonderful community.

Partner with us and be a driving force in making a real, palpable difference in Indian Lake. Together, we can continue to build on our successes and ensure that Indian Lake remains a beloved destination for generations to come.

## SUPPORT OUR MISSION

The Indian Lake Watershed Project (ILWP) is a local 501(c)3 nonprofit dedicated to improving water quality for Indian Lake. Monthly meetings are hosted on the third Wednesday of each month at the Indian Lake State Park multi-purpose building. By becoming a member of the ILWP, you'll help fund vital initiatives that support lake health. Annual dues are \$15 and directly contribute to our efforts to enhance water quality. ## DREDGE PLANNING

In Spring 2024, the ILWP Board approved a \$55,000 proposal from EnviroScience of Stow, Ohio, to perform a bathymetric and sediment survey of Indian Lake. EnviroScience gathered extensive data through 454 sediment depth soundings, water depth measurements, and 25 sediment core samples. Due to the lake's expansive 5,300-acre area, it was not feasible to cover the entire lake within the budget.

To supplement the data, a dedicated group of Indian Lake Watershed Project volunteers—our "Mud Trackers"—conducted additional surveys in areas not covered by EnviroScience. Using a mobile application provided by EnviroScience, the Mud Trackers

## Honoring Sandy Helgeson

For 14 years the Indian Lake Watershed Project has hosted the annual Nashville Hitmakers concert. This event has brought in over 40 different award-winning song writers, sold thousands of tickets, and has raised over \$750,000! The success of the show was due to the visionary leadership of Watershed Board Member Sandy Helgeson and her brother, award winning song writer, Even Stevens.

Sadly, Sandy passed away in November 2024. Sandy's kindness, dedication, and radiant smile brightened the lives of all who knew her. Her impact on our organization's success is immeasurable, and her absence will be profoundly felt. Plans have not been finalized for the August 2025 concert. Visit [nashvillehitmakers.com](http://nashvillehitmakers.com) for updated details.

recorded and uploaded survey data from 417 extra locations, bringing the total to 871 surveyed points.

You can view the survey locations on our website — [indianlakewatershedproject.com](http://indianlakewatershedproject.com) — by selecting the Dredge Data tab. This map will continue to update in real-time as additional areas are surveyed.

## SHORELINE EROSION SURVEY

Many areas of Indian Lake's shoreline lack seawalls or natural erosion protection, allowing sediment and nutrients to enter the lake. To identify critical zones needing stabilization, the ILWP Board engaged Dr. Jones of Restorative Lake Sciences (RLS) for a Shoreline Erosion Survey at a cost of \$25,000.

The survey highlighted specific areas of concern, provided cost-effective recommendations, and outlined estimated costs for shoreline stabilization. We have shared this data with ODNR and key partners in the State Legislature to secure funding for erosion control.

While dredging is an important focus, reducing sediment inflow from shoreline erosion is equally essential to lake health. Simply dredging the lake without addressing runoff only resolves part of the problem. The full shoreline report is available at [indianlakewatershedproject.com](http://indianlakewatershedproject.com)

# Wildlife

Discover the incredible wildlife that Indian Lake has to offer! From majestic Bald Eagles soaring high above the trees to enchanting Snowy Owls gracing the winter landscapes, our area is a haven for bird enthusiasts. You might also spot Great Blue Herons, vibrant Orioles, and the occasional Peregrine Falcon. Whether you're a seasoned birdwatcher or just enjoy the beauty of nature, Indian Lake is the perfect place to experience these amazing creatures in their natural habitat!

*Educate - Inspire - Empower*

*"The Lake Effect"*

Although the Laker family faced unprecedented challenges during the 2023-24 school year, the staff, students, and the entire community pulled together demonstrating extraordinary compassion and unmatched resiliency. It is what makes ILS such a special place! After a year of loss and tragedy, folks pulled together to support the families and friends of our beloved students whose lives ended way too soon. Additionally, to the countless people who volunteered or made donations to the tornado recovery efforts, we want to express our sincere appreciation. Your selfless giving spirit is both humbling and inspiring.

Despite the aforementioned adversity, there were many successes in 23-24. Students again demonstrated growth and surpassed the state average in all but one tested area on the State Report Card and graduation rates remain over 95%. Volleyball, Competition Cheerleading, Boys Basketball, and Softball each won Central Buckeye Conference league titles and the Lakers won the CBC All Sports Trophy for the first time in school history! Numerous FFA students earned state and national awards while Chorale received a Superior rating, which is the highest honor in the state.

Our residents understand that providing a well-rounded education is the cornerstone of

a great community and we greatly appreciate your support in this endeavor. Supporting the growth of the whole child through the development of foundational knowledge and skills, well-rounded content, leadership and reasoning, and social-emotional learning is at the core of the ILS approach. The Indian Lake community offers a unique blend of tourism, manufacturing, agriculture, and rural life while still being a close drive to larger city attractions. Therefore, the school district strives to emulate the uniqueness of the community as we prepare students for the future. All students have a Chromebook computer and teachers are equipped with a variety of cutting-edge technological tools. ILS offers a variety of classes beyond the basics including college credit plus, an agribusiness, information technology and business satellite program through Ohio Hi Point Career Center, college and career readiness, graphic design, CAD (computer animated design), robotics, traditional shop classes, welding and drivers education.

The "Lake Effect" is at the foundation of everything we do at Indian Lake. Our goal is to create a culture where there is a positive "effect" on every student, staff member, community member, and visitor at Indian Lake Schools. Therefore, the district continues its R-Factor program that teaches children and adults discipline-driven behavior to

respond appropriately to events resulting in the positive outcome they desire (E+R=O). This enables us all to be the best version of ourselves and enables us to support the growth of the whole child through the human development process. Thanks to a partnership with Community Health and Wellness Partners, we have a school based health clinic to serve both the physical and mental needs of our students. An agreement with Washington Township Police Department provides a school resource officer and recent facility improvements that were planned and some that came about because of the tornado combine to create a safe and conducive learning environment.

Our campus is located just a few miles south of the lake, on State Route 235, along the path of the Great Miami River. Our student body totals 1,500 students from Kindergarten through grade 12. We also house our own Indian Lake Preschool classroom, along with a Head Start class, through the Miami County Council on Rural Services. We invite you to visit our busy campus during any number of sports, music or academic events. We'd love for the "Lake Effect" to leave an impact on you!

Sincerely,  
Dr. Robert Underwood

## VERIDA MALLORY

I've called Indian Lake home since 1954, and it's been an incredible journey. In 1984, I was honored to become the first woman Mayor of Russells Point, a role I proudly held for seven years. During my time as mayor, Governor Voinovich appointed me to the Ohio State Department of Transportation, where I had the privilege of playing a key role in bringing Honda Transmission to Russells Point. My husband, Cyrus (Cy), and I raised our four children here, and it's a joy to see our family's legacy continue with my granddaughter-in-law serving as a principal and my grandson as a teacher. Together, Cy and I owned and operated the Standard Oil (SOHIO) gas station in Russells Point and the drive-thru on Orchard Island. I'll always treasure the memories of organizing the first parade at Point Amusement and hosting a festival to raise funds for road repairs.

For those visiting Indian Lake, you're in for a treat! Be sure to explore Indian Lake State Park, and take a boat ride to experience the many fantastic restaurants accessible by water. Don't forget to attend one of our local churches, where you'll experience the kindness and hospitality of our wonderful community. Indian Lake is a truly special place with so much to discover and enjoy!

## BILL HEMPKER

I've been fortunate to share my love for music around the lake, playing keyboard at nearly every bar, restaurant, wedding, and even funerals. My journey with music has taken me to some incredible places, including my time in the Army Intelligence Service, where I played at the military chapel in Fort Meade, Maryland. Over the years, I've had the honor of performing for remarkable individuals like Danny Thomas for St. Jude and Tony Danza in support of education. I also had the pleasure of teaming up with Judy Grubbs, playing organ and piano for Pastor John Ellington at Russells Point Community Church and more recently at Lakeview United Methodist Church. Not bad for someone who taught himself to play!

At 88 years old, I look back on a life full of music and service with gratitude. I never asked for any of this, but I've truly enjoyed staying busy and doing what I love. Some of my best memories include visiting my grandparents' house on Orchard Island and playing keyboard aboard the two-decker Princess Laura cruise line out of Russells Point for the Chamber of Commerce. In the summer of 1968, I hosted a daily radio broadcast from Beatley's Hotel, sharing my music with the community. During the 1970s, I served as an EMT with Lakeview's first group of medical responders, operating out of a garage. We even went door-to-door raising funds to repair an old ambulance donated by Myron Van Horn. In the 1980s, I played keyboard at the Cranberry Resort, which was then owned by Dick and Shirley McFadden.

BLIZZARD OF 78

## PAULA TROYER

In the late '70s I moved to Blackhawk here at Indian Lake. I bought a small pontoon and spent the summers on the water, getting to know the lake with my 3 year old daughter and husband. We loved boating over to O'Connors for Sunday brunch, and also loved eating at two fine restaurants that were here back then, Nick's and Antonio's. Of course, I went to the amusement park before it was torn down, which my grandpa had helped build the wooden roller coaster.

Today there are many fine restaurants that can be reached by boat, and many channels that you can see blue herons, turtles, and maybe even an eagle.

## KIRT GRANDI

Growing up at Indian Lake has given me a lifetime of cherished memories. As a child, we lived next to Beatley's Hotel in Russells Point, which had a big beach area with a jukebox and concession stand. My mom would take us there almost daily in the summertime to swim. I still remember walking up to the jukebox to play songs, creating a scene that felt straight out of a Frankie and Annette Beach movie. The beach was always alive with people swimming, sunbathing, playing in the sand, and even dancing to the music. It was such a joyous and vibrant place to be! We also lived just a couple of streets away from the amusement park. While my parents didn't allow us to visit during its decline, being kids, we couldn't resist sneaking over to explore the rides and the midway. My older brother was especially drawn to one game, so much so that my dad had to regularly fetch him after work, only for him to sneak back within minutes!

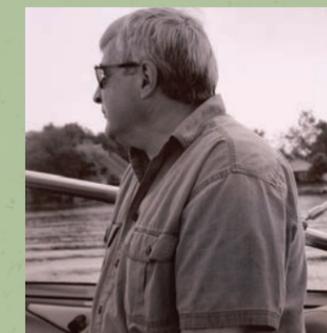

Indian Lake remains a fantastic place for families to enjoy outdoor activities. We have a beautiful walking path along the lake with breathtaking views, nature trails to explore, and great beaches perfect for swimming and picnicking. If you don't have a boat, you can always rent one to experience the lake's beauty firsthand. There's something here for everyone to enjoy!

## EVEN STEVENS

One of my favorite memories growing up at Indian Lake is riding my bike from Lewistown every week to swim at Beatley's and Silver Isles. It was always such an adventure, feeling the wind in my hair as I pedaled along the roads, knowing I was headed to those iconic spots where the summer days seemed endless. Those weekly rides not only brought me to places I loved but also created lasting memories that I still cherish today.

For anyone visiting Indian Lake, I highly recommend booking a boat tour or renting a boat from Schuyler's to explore the beautiful backwater trails. The lake is home to an incredible variety of wildlife, and navigating the peaceful channels offers a unique opportunity to experience the natural beauty of the area. Whether you're birdwatching, fishing, or simply soaking in the scenery, there's no better way to fully appreciate the tranquil and diverse environment that makes Indian Lake so special.

## STEVE SPATH

Growing up at Indian Lake has been an experience full of cherished memories and traditions. I learned to fish with my grandparents and great-grandparents, creating a bond with the lake that I've carried throughout my life. Boating has always been a family activity, and now it's even more special as I take my grandkids out on the water to share the same joy I've always felt. I'll never forget the thrill of motorcycle races on the ice, especially when we managed to beat the snowmobiles! The vintage boat and auto show at the harbor is another highlight, showcasing the lake's history and community spirit.

Indian Lake has always felt like a small, close-knit community within a larger area, which makes it so unique. I can still picture the Lakeview Fire Department taking the Army duck out onto the lake, a sight that always brought people together. It's those moments of connection and tradition that make this place so special and a part of who I am.

## RENEE DUFF

Indian Lake is a wonderful place to grow up. I was fortunate to enjoy summers swimming off the beach at Fox Island, skiing on the lake with family and friends, and boating to the Donut Shop. Taking a bike ride to Cranberry Resort to buy candy from the owner, Dusty Rhodes, was a special childhood treat. My mother taught me to sail, and I motored a rowboat around the islands. Summer weekends brought new friends from surrounding cities to the neighborhood. Winter memories include ice skating and snowmobiling with neighboring families. I continue to enjoy some of these same activities with my children and grandchildren.

If you are a first-time visitor to Indian Lake, I would suggest renting a boat to tour the lake. The wildlife in the channels is a family favorite. We often see blue and white herons, eagles, turtles, beavers, and once even a swimming squirrel! There are many unique restaurants to choose from, and make sure to save room for a donut.

### KATHY ROBINSON

Some of my most cherished memories include fireworks lighting up the sky, visiting the amusement park, taking boat rides, making donut stops, and walking across the bridge. We've enjoyed church activities at the Fatima Statue, attending school sports events and musicals, and listening to Judy Grubbs and the Stingers. Graduations, dining at Antonio's Restaurant, and exploring the bike paths and walking trails have also been highlights. We've shared countless moments at Our Lari's Tavern with friends and neighbors. The list of treasured experiences goes on and on—our family has truly enjoyed it all.

If you're visiting for the first time, there's so much to see and do. You'll find two beautiful beaches, a state park, camping opportunities, a new hotel, and welcoming churches. There are also plenty of shops and restaurants to explore. Don't miss flare night, performances by the Hitmakers, and so much more. Enjoy all that this wonderful place has to offer!

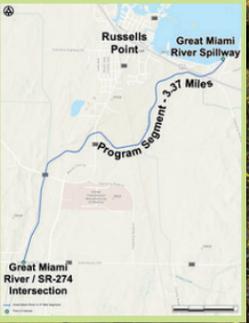

### DOUG ZIMMERMAN

My childhood at Indian Lake is filled with cherished memories of family and fun. My grandparents, Otto and Bertha Zimmerman, built a small ranch home on a waterfront property at Long Island in the 1950s, and our family spent many weekends boating, fishing, and swimming together. With our Belle Center farm nearby, it was easy to gather at the lake for Sunday picnics and relaxing afternoons. One of my favorite memories is rowing from Long Island to O'Connor's Point in our little boat to swim with friends. When I was about 7 or 8, I took swimming lessons at Beatley's pool alongside several of my friends who still live in Logan County today.

As a teenager, Indian Lake became the go-to spot for popular hangouts, including The Ark restaurant, which was a favorite. These days, my family continues to enjoy everything the lake has to offer. We spend our time boating, jet skiing, kayaking, and paddleboarding near Moundwood, making new memories while celebrating the same "fun in the sun" that has always made the lake so special.

**INDIAN LAKE**

Imagine witnessing the breathtaking Northern Lights without needing to travel to Iceland or Scandinavia. This year, residents of Logan County have enjoyed this rare spectacle — and the best may be yet to come in 2025 and 2026. Why? The answer lies in the Sun. We are currently experiencing a solar maximum, a period of heightened solar and sunspot activity that occurs roughly every 11 years. While these intense geomagnetic storms can temporarily disrupt radio and power signals, they also produce the stunning Aurora Borealis, a natural display of beauty like no other.

RING OF

*Fire*

Dating back to 1965, when Warren Edwards was president of the Indian Lake Area Chamber of Commerce, board member A.M. Brown, Manager of the Amusement Park, presented the idea of a “red flare spectacular.” He suggested that the Chamber sell the flares to the residents and visitors of the lake. The Chamber members agreed to sponsor the project and the annual “Red Flare Spectacular” started at Indian Lake during Labor Day weekend.

Brown brought this idea from Buckeye Lake State Park where he had been park manager. The custom originated many years ago at Seneca Lake in New York State by the Seneca Indians when they celebrated a successful harvest by lighting bonfires on the shores of the lake.

In years past, the red flare event signified the end of the Summer season, but now it is the way to greet the fall and winter season’s activities. Because of the influx of more year-round businesses, and working, and professional residents, Indian Lake has a growing population. They contribute to the local economic growth of the area but also reap the benefits of living in a community where they enjoy the environment of by the lake and its many recreational facilities.

This year, 8,000 LED flares have been distributed to merchant and resort owners to sell. LED flares are more sustainable, environmentally friendly, and economically better for the Indian Lake Area and have received raving reviews of their use. They can

be purchased at Aries Pharmacy, Bud’s Marine, Spend-A-Day Marina, Choice Properties, Community Markets, Lakeside Pro Bass, Lakeview Discount Grocery, Lakeview Hardware, Winner’s Markets, Gene’s Marine Bait & Tackle, and the Indian Lake Chamber office. At 8:30PM on September 1<sup>st</sup>, the Grimes Experimental Plane, out of Urbana, will fly over the lake with its myriad of colored lights, kicking off the “Ring of Fire.” At 9:00PM sharp, flares will be turned on and a beautiful sight will take place.

It is indeed a beautiful sight when the thousands of flares are lit simultaneously, casting a red glow on the waters of Indian Lake. With the help of many sponsors and donations, a fireworks display will be taking place again this year to honor the beautiful event, and greeting of the fall and winter seasons. Many people will get on their boats to take in the full experience of how amazing this event is. Take in the beautiful scenery of this event, reflect on the Summer, and walk into a fresh Fall and Winter with us.

You can be a part of it too! The whole area from the spillway, bike path, Fox Island, and Old Field Beach is where the Indian Lake High School Key Club set out and turn on flares that evening. This requires sponsorship of over thirty acres of flares. To help sponsor this spectacular event, please visit [www.visitindianlakeohio.com](http://www.visitindianlakeohio.com) to purchase a case. You will be recognized and can even purchase in memory of a loved one.

# Cobblestone HOTEL

In 2007, while driving from Sioux Falls, SD to Oshkosh, Wisc. Brian Wogernese went through many small towns, and realized these small towns' need for hotels were being overlooked. With his experience of owning a hospitality operations and management company since 1999 (Slate Hospitality Group), upon returning from this trip, the perfect prototype was drawn out; however, none of the bigger brands wanted anything less than 65 units.

From there, the Cobblestone Hotels brand began. A 31-unit Cobblestone Inn & Suites was designed that ensure these small towns were given the quality and amenities that you would see in the bigger markets. A brand that offers all the amenities a larger brand would provide, but just the right size for smaller communities that couldn't support a 65-unit hotel. It didn't take long for the phone calls to start coming in from various small towns in the Midwest. Now, fifteen years after the first location opened in Clintonville, Wisconsin, Cobblestone Hotels has expanded development into larger markets, while still holding to the core mission of providing quality lodging to communities across the nation.

# TORNADO

✱ 2024 ✱

At 7:44PM on Thursday, March 14, an EF3 tornado ripped through the Indian Lake region, killing three people, destroying over 300 homes, and causing widespread damage to over 1,000 properties and businesses.

The following morning, the United Way Board met in emergency session and established the Indian Lake Tornado Relief Fund to support immediate and long-term recovery efforts. 100 percent of all donations to the Relief Fund have gone directly to this purpose.

More than 5,000 donors gave over \$1.7 million to the Indian Lake Tornado Relief Fund. Donations poured into our community from 40 states coast-to-coast, including California, Maine, Washington, and Florida! Businesses,

schools, churches, and groups around Ohio conducted special fundraisers. Several donors have written letters expressing fond memories of growing up here. One woman reminisced about meeting her husband one summer at Indian Lake.

THANK YOU for entrusting United Way of Logan County with your gift to help tornado victims! YOUR gift has been a difference-making bridge in the gap between the storm and long-awaited government assistance and insurance claims. You helped hundreds of survivors start the rebuilding process, move to new homes, or make down payments on new cars. We've been the recipient of dozens of grateful hugs as victims thank donors from afar whom they will never meet.

# Reflections

FROM THE

# COMMUNITY

The day after the tornado I woke up and headed to town, but the roads were still blocked by officers, so I went back to the school. That's where I met Alicia Cummins. We set up an intake table and for the next nine hours were accepted donations. The line literally never slowed down. From a local who had a bag of clothes to offer, to families driving from far away cities, to be corporations bringing in semis. It was surreal and indescribable what it felt like to have so many from near and far jumping in just to help.

*Chelsea Castle*

PROUD INDIAN LAKE RESIDENT

I remember when daylight finally came, standing in the middle of an area I was working with my fellow colleagues thinking, "this looks like a war took place here". I will never forget the events of that night. The Indian Lake community is resilient and came together for each other. I am so very proud of how the people of Indian Lake showed what community looks like.

*Chief Rick Core*

The tornado rocked the beloved restaurant off the foundation, tore the roof off and water damage occurred. Our restaurant regulars showed up with tools and hands to begin the clean up process.

*Indian Head Roadhouse*

I vividly remember the deafening winds and sirens, as well as the nonstop flashing lightning. When the storm finally passed, the sight was overwhelming—damaged homes, uprooted trees, and scattered debris painted a picture of nature’s sheer force. Yet, amidst the chaos, something remarkable happened: as people emerged from their homes, there was a determination to come together and help one another. The days that followed were testament to the resilience and heart of the Indian Lake community.

*Carrie Weigand*  
PROUD INDIAN LAKE RESIDENT

It was also very humbling the response of the counties Fire and EMS, Washington Township Police, Russells Point Police and the Logan County Sheriff's Department along with Fire, EMS, Police and Sheriff Departments from all over the State of Ohio who came in to help us in our time of need.

SANDY BEACH AMUSEMENT PARK

INDIAN LAKE KENNEL CLUB

For a very brief period the Indian Lake Kennel Club held greyhound races at a track on the northside of Indian Lake, along State Route 235 near Avondale. The racetrack only operated from 1929 to 1930. Principal stockholders of the track included Nathan Coon, Ray Freshner, Glenn Halderman, and Cloyce Hands.

On Decoration Day (Memorial Day) in 1924, S.L. & French Wilgus opened Sandy Beach Amusement Park at Indian Lake. It quickly became one of Ohio's most popular parks and vacation sites. Sandy Beach boasted up-to-date roller coasters, a Ferris wheel and other rides. The park offered a boardwalk that connected the park to the beach. In addition, the park had a very popular dance pavilion. People from all over Logan County, Ohio and surrounding states came to the "Million Dollar Playground" as the Sandy Beach Park and Indian Lake became known, to enjoy the rides, water, and entertainment.

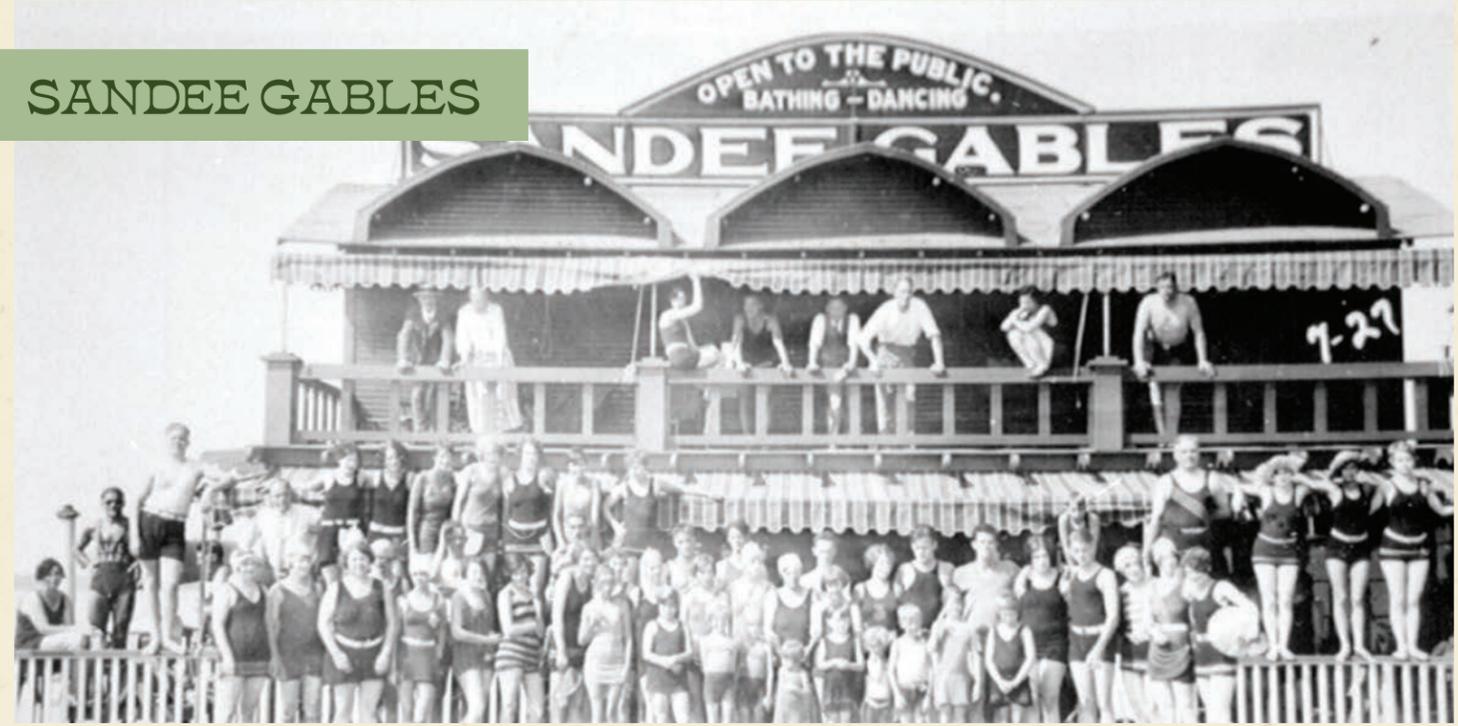

## DANCE HALLS & MUSIC

The various dance halls at Indian Lake served as a major entertainment venue in Ohio throughout much of the middle part of 20<sup>th</sup> century. Some of the Big Band era's most popular performers played Indian Lake in the 1930s, '40s, and '50s. Tommy Dorsey, Glenn Miller, Les Brown, and many, many others played with their orchestras at the lake in front of thousands of patrons who danced to the music.

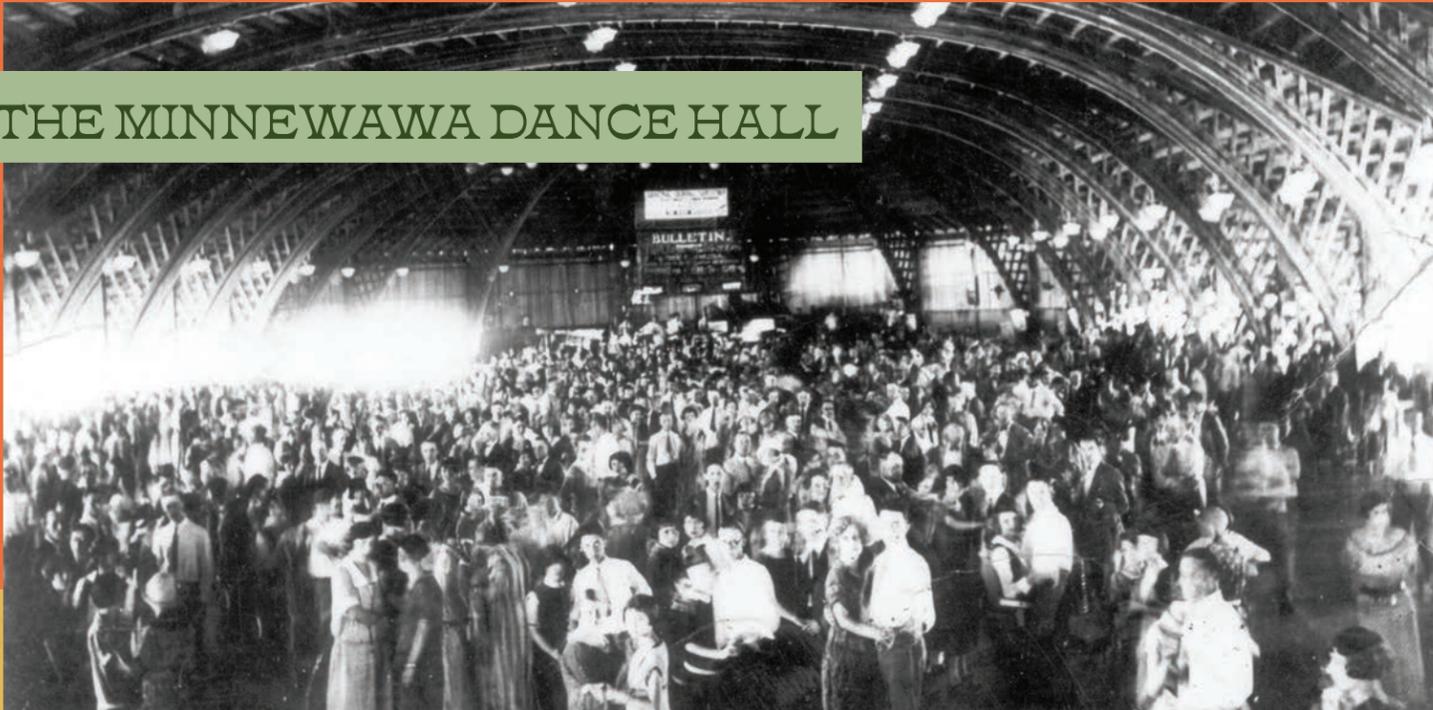

## SANDEE GABLES

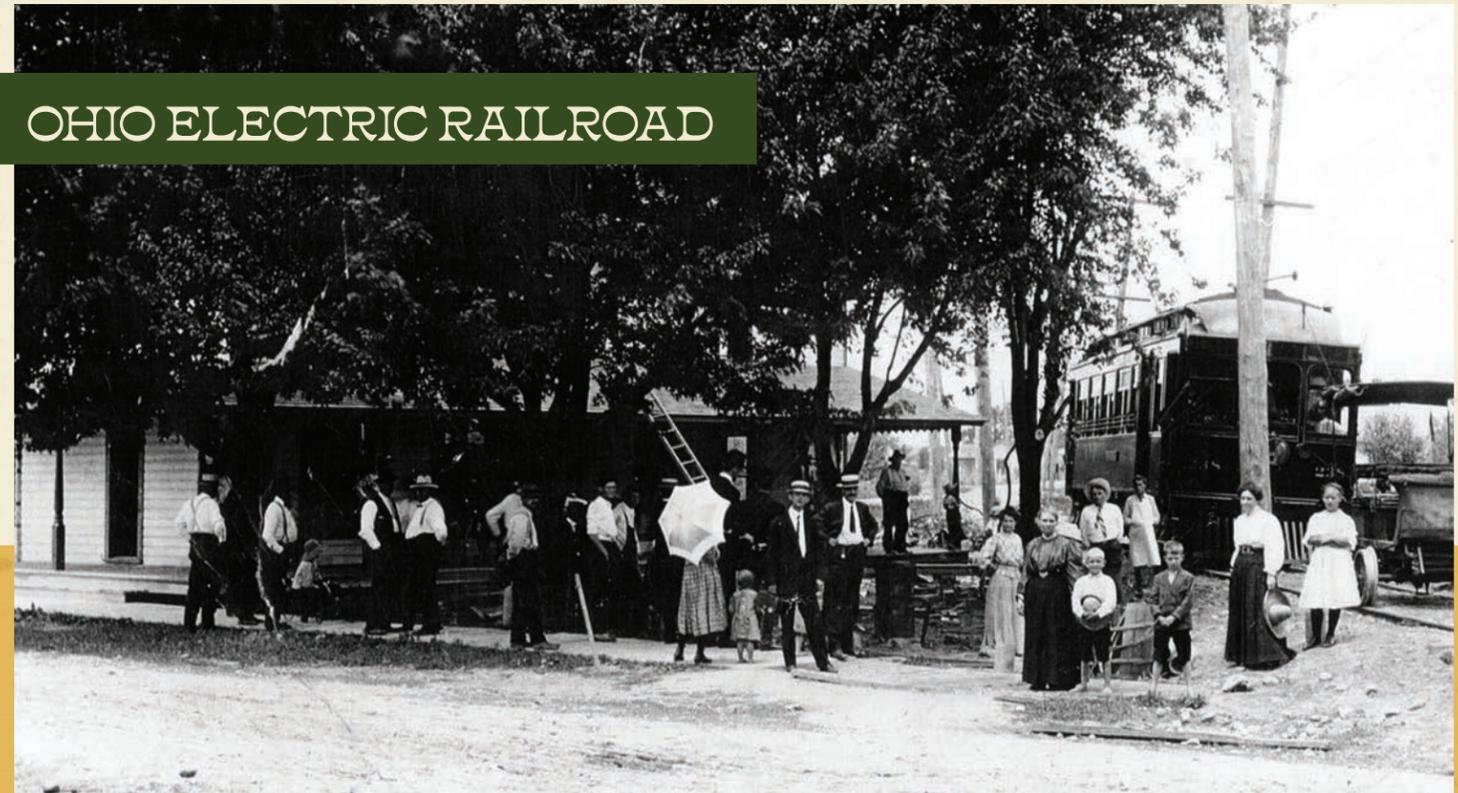

Sandee Gables was one of the many attractions at Indian Lake in the first half of the 20<sup>th</sup> century. Sandee Gables, which sat out in Indian Lake just west of Wolf Island, offered swimming, dancing, and eating to its visitors. Although a very popular attraction, it was difficult to maintain, particularly in the winter. The building was eventually removed, and the dance floor and platform were sunk in the lake.

## THE MINNEWAWA DANCE HALL

Elmer Katzmeyer of Russells Point built the Minnewawa in the early 1920s. The Minnewawa was the largest dance pavilion in Ohio and the fifth largest in the country. Around 4,000 people could be on the dance floor at one time. French Wilgus acted as its general manager. Named after a line in Henry Wadsworth Longfellow's epic poem, The Song of Hiawatha, the Minnewawa was open from 8:00PM to midnight. Its two bandstands played music throughout the night. The Minnewawa was one of the early dance halls to feature mirror balls to add to the atmosphere and experience of the dancers. For several years the Miss Ohio beauty pageants were held in the Minnewawa. Tragically the Minnewawa burned down on September 21, 1935. The open-air Moonlight Terrace Gardens dance pavilion opened on the old site of the Minnewawa a year after the fire.

## OHIO ELECTRIC RAILROAD

People waiting for the first car on the Ohio Electric Railroad (Interurban) to come to Lakeview in 1908. The interurban and the railroad, along with better roads and more accessible automobiles, made traveling to Indian Lake much easier. These improvements in travel and the development of numerous resorts, hotels, dance pavilions, and an amusement park helped make Indian Lake become a premier vacation destination.

We are bulldogs Stella, Zuni, and Lola. We love to ride in the boat to get donuts in the mornings, and go over to Oldfield Beach to swim. You can often find us swimming and jumping off the docks at Pew Island State Park. Lola's sister, Zuni, loves to come to Indian Lake to visit and get some beach time in when she isn't strutting her stuff in the champion conformation show ring. We love representing what bulldogs are capable of when our temperature needs are responsibly managed.

Lisa Campbell Rees

Hi, I'm Bailey Rees. I'm 11 months old, and this is my first summer at the lake. I love boat rides and dog-friendly establishments around the lake. We come here every weekend, and I am loving it. My mom and dad love taking me on boat rides so much that they even named the boat after me, 'The Golden Girl.' If you see me around the lake, please come say hi and ask to pet me! I'm looking forward to many more years of enjoying Indian Lake.

I'm Scout! My favorite thing to do when I'm at the lake is take my mom and dad on boat rides. Dad's not a very good driver, so I usually have to captain the ship for him. I like to take them to the Donut Shop and Bakery on the Lake, and get a glazed donut that I share with my fur brothers. When I'm not driving, I put my mermaid life jacket on, just in case I decide to take a dip!

*Shiba*  
Rachel Hern

I'm Miss Shiba! You can find me kayaking the channels of Turkey Foot, or soaking up the rays at Boater's Beach. My favorite dog-friendly snack stop on the lake is Acheson's. My most cherished pastime is chasing the geese away at Tilton Hilton.

5<sup>TH</sup>

*Clark*  
Erin Norton

My people call me CLAK, like Clark Griswold. I've been coming to Indian Lake since I was a pup! My mom used to have a trailer at Lakeside RV, and then she met my dad and moved to Seminole Island. I love to hunt squirrels, and enjoy walks on Pew Island. Oh, and I'm always the first one to jump on my grandma and grandpa's pontoon boat! Lake life is the best life!

# Fishing

## AT INDIAN LAKE

### THE FISHING PARADISE

Indian Lake covers over 5,000 acres of water, perfect for all fishing enthusiasts. Whether you are a seasoned angler or a novice looking to try your hand at fishing, the lake is plentiful with a diverse range of fish species to catch, ensuring that every cast is an adventure waiting to unfold.

### LARGEMOUTH BASS

Indian Lake is renowned for its impressive largemouth bass population. These feisty fish provide an exciting challenge for anglers and are abundant throughout the lake. People travel from all over to enter the bass tournaments that are held here, most weekends from springtime through the end of summer. You can always tell when a bass tournament is going on, the marinas are packed full of trucks and trailers, and you can spot the boats trolling around the lake.

### CRAPPIE

If crappie fishing is your passion, you're in for a treat. The lake boasts a healthy crappie population, making it an ideal destination for those who enjoy reeling in these delectable panfish!

### BLUEGILL AND SUNFISH

Perfect for family outings. Indian Lake is home to abundant bluegill and sunfish, making it an excellent place to introduce kids to the joys of fishing. These fish are one of the easiest to catch on this lake. Set out with an old cane pole, bobber, and a wax worm, or even cast out a small kiddie pole - these fish will not disappoint if you're looking to just relax and enjoy a few catches.

### PERCH

Known for their delicious flavor and the thrill of the catch, perch are making quite the comeback in the lake. The population has decreased in the past but recently has been plentiful, especially in the channels. These fish make an excellent addition to a fish fry!

### SAUGEYE

Another prized catch you can find in our lake. When the cooler weather sets in - the shorelines are lined with fishermen testing their skills for this tasty catch! It isn't uncommon to see the dedicated anglers casting their poles into open waters while it is snowing, with a frigid wind.

### CATFISH

Saving the best for last! With ample catfish including channel and flathead, you can embark on thrilling night fishing expeditions along the lake's shores or casting out from a boat.

Ready to escape the chaos of city life and embrace the peace of nature? Discover Indian Lake, a hidden gem in the heart of Ohio that offers stunning scenery and some of the Midwest's best fishing. Whether you're an avid angler or simply seeking tranquility, Indian Lake is the perfect destination for a relaxing and rewarding outdoor experience.

Check out our full list of fishing tournaments and how to enter! We can't wait to see you on the lake this year.

RUSSELLS POINT

# Splash Pad

The Village of Russells Point is a community of approximately 1,300 residents located on the south bank of Indian Lake in west-central Ohio. Embracing its small-town charm, the bustling Village hosts a number of community activities, seasonal events, and operates several parks for outdoor recreation.

An area on the Village's 7-acre property, that includes the municipal offices and public works garage, has been designated to serve community members and visitors with outdoor recreational opportunities. This "Municipal Building Park" currently features a playground, recently installed pickleball/basketball courts, open green spaces, and a small shelter house. The Village plans to introduce a splashpad for community use within this park.

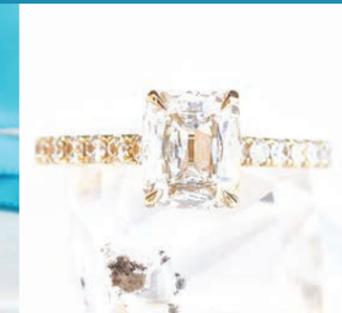

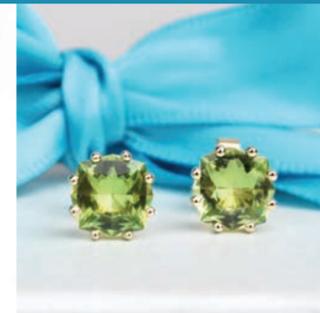

Proposed plans include the installation of a 35-foot by 45-foot direct feed splashpad that will be accessible to the general public during the park's in-season hours from dawn to dusk each day. There will be no cost to use the splashpad facility. The design is ADA compliant and includes connections to the sidewalk and handicapped parking area at the Municipal Building. The operation and maintenance of the splashpad will be handled by the Village's public works staff, who oversee the park systems. The Village's staff will also be on hand to help with any winterization, opening, and general maintenance, as needed.

There is a strong local desire for a splashpad as indicated by a recent Village survey, newspaper articles, letters of support, and initiatives spearheaded by the Village Council and community members. This facility will be within walking or biking distance for Village residents and is likely to attract people from neighboring communities.

The short-term benefits include a new, fun and safe place for residents and visitors to play during the warm months; increased Park usage; community engagement that will foster a sense of community pride; and an opportunity for residents to see their feedback realized. Studies have shown that long-term benefits of access to outdoor recreational facilities, like a splashpad, may promote physical activity that contributes to the overall health and wellness of the community. It will attract visitors from neighboring areas, potentially boosting local businesses such as restaurants and shops; and since the splashpad will be low-maintenance, and provide a sustainable recreational option that can be enjoyed for many years, it will not require lifeguards or extensive staffing. Over time, the splashpad can become a key feature of Russells Point, enhancing the Village's appeal as a desirable place to live and visit.

# NATURE CENTER

## INDIAN LAKE

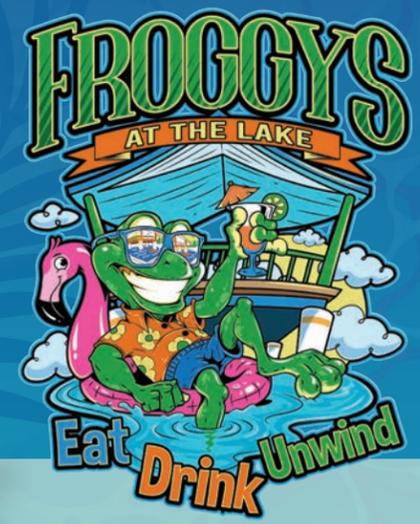

— STATE PARK —

Welcome to Indian Lake State Park! We're thrilled to have you here to enjoy the beauty of the park and create unforgettable memories with family and friends. Indian Lake offers a wealth of activities, including six public boat ramps for boating and water sports, two sandy beaches, playgrounds, disc golf, a dog park, brand-new pickleball courts, kayak launches, a scenic paved bike trail, fishing piers, hunting areas, hiking trails, and numerous picnicking spots. Our campground provides a range of campsite options, from non-electric to full hook-up, ensuring a comfortable stay.

Be sure to visit our brand-new Nature Center, a space designed to engage visitors of all ages. The center features interactive exhibits about local wildlife, diverse habitats, and fun things to see and do. You'll also find insightful displays about the importance of sustainability, from reducing waste and recycling to composting and rainwater collection. Learn how simple actions, like planting native flowers, can support pollinators and protect the park's natural beauty. The message? You don't have to be an environmental professional to make a difference!

Join us for Nature Center open houses or one of our public naturalist programs to dive deeper into the park's rich ecosystem. For more program information, check out our events calendar at [ohiodnr.gov/events](http://ohiodnr.gov/events). We are committed to sustainability at Indian Lake and encourage everyone to carry out their trash to help us keep the park pristine.
