St Helens Parish ChurchNORTH THORESBY, LincolnshireTranscript of the General Register (No 1) of Baptisms, Marriages & Burials
from 1552-1662

This transcript is not an exact 'verbatim' copy of the original register which contains many entries in Latin. All names are recorded as they occur and no attempt has been made to alter Latin name spellings. Any abbreviations in spellings of names are those as recorded in the register.

Dates and section headings (ie 'Baptisms' in place of 'Baptizat') have been translated and simplified into a standard form.

In certain parts missing pages or entries have been replaced by extracts from Bishop's Transcripts to maintain the continuity of the register and where these occur in the transcript they are indicated by a double asterisk (**).

NB This register has not been completely checked against surviving Bishop's Transcripts. Random checks suggest that in some years the BTs may contain more information, or more events, than appear in the register.

Abbreviations: To denote an event a letter (C = Christening/Baptism, M = Marriage and B = Burial) follows the date. Other abbreviations used are w/o, s/o, d/o and c/o for wife of, son of, daughter of and child of, where the sex of a child is uncertain (this applies mostly to the christian name of 'Frances'). A question mark in brackets (?) shows a degree of uncertainty about the word it follows.

Inside the front cover is a list of North Thoresby clergy, under the heading 'Register from the Year 1546 (sic) to 1662' as follows:-

Hugh MAPLETOFTE 1544, Nathaniel TUKE 1623, John WHYTE or WATE 1629, Robert LAXTON 1633, Edward AYSCOGHE 1641, (then follows the Commonwealth period when Thomas SWANN was appointed Registrar from 1653), Mr BARNARD 1691, Thos WILSON 1726, J. WRIGHT 1735, The Revd Sam YORK, Rector, and Wm MYERS, Curate, (both from) 1786, Myles MYERS 1792, Richard POWLEY 1797, Thomas BRASTEAD undated, Field FLOWERS 1828, John HULL 1835.

Then follows on the front fly leaf:- 'The Revd Hugh MAPLETOFTE from 1544 to 1622. 78 years Minister, 32 of which he was Rector. The following is an extract from his will, dated 24 May 1622, the year then beginning in March. "I give to the use and benefits of the most needful poor of North Thoresby £3 6s 8d (three pounds, six shillings and eight pence) to be paid into the hands of the Churchwardens there, and by the Minister and them to be disposed to their use and benefit for ever." An entire copy of this will obtained at Lincoln was deposited in the Church Chest by Field FLOWERS, Curate, Jany 5th 1831. But this is not the principle document concerning the Charity lands. The will of Christopher SMITH of Audby, of which an extract was obtained from Doctors (?) Commons, and deposited in the Chest at the same time, is the principle document. Extract from the will of Christopher SMITH, Gent, of Audby, dated 24 October 1687. "I give 20 Shillings a year to the poor of N. Thoresby, to be issuing out of my lands in N. Thoresby, out of James BAYES (?) and John DICKENSON's lands which they hold of me, and to be paid until the Parson of, and Overseers of the Poor of N. Thoresby, can better dispose of 20 Pounds in my hands, and which was given them by my sister Frances SMITH." '
