

Adjunct Instructor of English and General Education

Union Commonwealth University invites applications from adjunct instructors to teach First-Year Composition and other General Education courses at its Barbourville, Kentucky, campus. Successful candidates will demonstrate a commitment to student success, effective undergraduate teaching, and to developing strong communication, critical thinking, and academic skills among students.

Minimum Qualifications

- A master's degree is preferred.
- Applicants must possess at least 18 graduate credit hours in English or a closely related discipline.
- Previous college-level teaching experience is preferred.

Responsibilities

- Teach assigned First-Year Composition and/or General Education courses in a face-to-face format.
- Prepare and deliver engaging instruction aligned with course learning outcomes.
- Assess student work and provide timely, constructive feedback.
- Maintain accurate attendance and grade records.
- Comply with all university policies and academic standards.

Application Materials

Applicants should submit:

- Letter of interest
- Curriculum vitae or résumé
- Unofficial graduate transcripts (official transcripts will be required upon hire)
- Contact information for three professional references

Review of applications will begin immediately and continue until positions are filled.

Union Commonwealth University is an equal opportunity employer and welcomes applications from qualified individuals committed to excellence in teaching and student success.

Union Commonwealth University (the "University") is committed to maintaining an educational, employment, and business environment free of all forms of discrimination. The University provides full and equal access to its educational services, classes, and programs without regard to and prohibits discrimination based on the protected characteristics of age (40 and older), race, color, national origin, ancestry, religion, sex (including transgender status, gender identity or expression), pregnancy (including childbirth, lactation, and related medical conditions), physical or mental disability, AIDS/HIV status, genetic information (including testing and characteristics), veteran status, uniformed servicemember status, status as a smoker or nonsmoker, medical condition, sexual orientation, marital status, or because an individual is perceived to have one or more of the foregoing characteristics, or any other status protected by federal, state, or local laws
