CURE PODIATRY and WOUND CARE FINANCIAL POLICIES

Your insurance policy is a contract that exists between you and your insurance company. **Our relationship is with you, the patient, and not the insurance company**. If you have questions about your policy, please call the phone number provided on the back of your insurance card. The patient or responsibly party is responsible for their bill being paid in full. Upon your initial visit you will be asked to provide a photo ID. Please inform us at every visit of any changes to your insurance coverage and provide us with your most recent insurance card.

PLEASE INITIAL EACH LINE INDICATING YOUR UNDERSTANDING OF OUR POLICIES.

	COPAYMENTS: It is a requirement of your insurance company that we collect your co-pay. Payment is required before meeting with the doctor.
	DEDUCTIBLES & CO-INSURANCE: If you have a high deductible plan, we may collect a deposit to apply towards your deductible and coinsurance. Any remaining balance after submission to your insurance company is your responsibility.
	SELF-PAY: (for non-covered products and services and for patients without insurance coverage): Full payment is due at time of service. Payment for evaluation and management services at minimum will be required before seeing the doctor. Additional procedures/services may be recommended by the doctor. You will be informed of these charges before proceeding with treatment. Any non-covered/ over the counter items are non-returnable and non-refundable.
	REFERRAL: If your insurance plan requires a referral from your primary care doctor, this will be required at the time of your visit. Without a referral available, we will need to reschedule your appointment. Although we may request one on your behalf, it is ultimately your responsibility to make sure you have one if your insurance requires one.
	NO SHOW (failure to present for your appointment): 24 hours business day notice is required for cancellation of your appointment and failure to do so will incur a **$40 fee** for scheduled office visits, laser, nurse and DME pick up appointments. Failure to provide **24 hours' notice** for a scheduled office procedure/diagnostic testing such as padnets will incur a **$65 fee**. Multiple no-shows or cancellations may result in being discharged from the practice.
	BALANCES/COLLECTION FEES: If payment of an outstanding balance is not received within 30 days from the postmark date of a mailed statement or e-statement time stamp, a **$10 billing fee** may be added to each additional statement. Patients with balances more than 90 days overdue will be turned over to collection and a **$35 administrative fee** will be applied.
	FMLA/DISABILITY/MEDICAL RECORDS: There is a **$50 charge** for having the doctor complete these forms. There is a $**40 fee** to obtain a copy of medical records (of up to 20 pages, additional fee for additional pages may apply)

I understand I am financially responsible for all charges, whether or not they are covered by insurance or other entities. I have read and understand these financial policies.
