MEMBERSHIP PAYMENT PLAN

**** New \$50 Administration Charge****

We are pleased to offer a 4-payment plan for course membership fees, which we hope will ease the financial burden on our members and hopefully lead to increased membership. The membership club dues will be required upon joining along with Credit Card # or posted dated cheque for the remaining membership fee payments. In the event that a posted dated cheque does not clear the bank, your membership will be cancelled until payments are made along with a \$50 default fee.
