(Prices are subject to change without prior notice)

The goods and services shown below are those we can provide for our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected. Certain funeral services may be provided off-premises by other funeral service providers.

This list does not include prices for certain items that you may ask us to buy for you such as cemetery or crematory services, clergy, flowers, newspaper notices, death certificate copies, medical examiner fees, monument services, organist, police escorts, weekend or holiday fees, or any other charge assessed by others. The prices for these items will be shown on your bill or the statement describing the funeral goods and services you selected.

Payment is expected in full at the time of arrangements and prior to any services being rendered. We are committed to providing compassionate, professional care for the families we serve. However, we are not able to extend credit. We accept cash, checks, most credit cards, pre-paid funeral plans and verified life insurance assignments. **A 3% surcharge will be added to all credit card transactions – no surcharge for debit card payments.** Life insurance policies may be considered as payment if the policy is assignable, and the beneficiary can be verified and has completed paperwork. We reserve the right to decline certain insurance policies or delay services pending approvals. Third party or cash advance charges must be paid before insurance verification. We also offer financing through a third-party lending provider, subject to their approval.

In preparing agreements we may estimate the cost of some items such as newspaper obituaries, travel distances, etc. Also, you may make changes that have an impact on the total cost. After final adjustments have been made, we may send you a final statement that may result in an additional amount due or a refund to you.
