Service Highlights

Wallpaper Hanging

We can enhance the elegance of your space by hanging wallpaper of your choice. Wallpaper can add very subtle texture and depth for more visual interest.

Cabinet Refinishing

Upgrade and enhance your cabinet space with cabinet refinishing services. We can help to create your dream kitchen or bathroom without spending a fortune.

Faux Finishes

We can bring a depth to a wall in any room in your home by adding a faux finish such as Venetian Plaster, Glazing, Metallic Paint, Wood Graining and other techniques

Color Consultation is rapidly becoming one of our most popular add-on service offerings. Choosing a color is not always an easy task, but it is certainly something we can help you with.

Azul Painting provides color consultation for your all of project needs, we have a dedicated specialist who focuses on the complex effects of color and creates color solutions for a client's goals. Our specialist uses color psychology (how certain hues affect human behavior) and color theory (how certain colors mix and the visual effects of those mixtures) to fulfill your design goals.
