f darren macdonald funeral directors

Independent & Family Run

As a small business based in the heart of Salisbury, we have the knowledge and expertise to offer a variety of funeral options. These include the Direct Cremation Service, the Classic Funeral, Woodland Burial and a Private Chapel Service with Cremation or Burial.

We are proud to offer a friendly and personal service 24 hours a day, 365 days of the year.

Our dedicated Team are always available on the telephone. We cater to the wishes of those who need us, with funerals as unique as the individual being laid to rest.

We understand every family has their own way of coping with bereavement. We will support and advise you on the arrangements, either here at the Office or in the comfort of your own home.

We realise how important the memory of the final farewell is and will do our utmost to make it special for you.

Open & Transparent

If you require some general advice please feel free to contact us by phone, email or call in to our premises.

Some funeral directors will not always inform you of all the fees that may be incurred until after the funeral.

At Darren MacDonald Funeral Directors we offer a fully transparent service and include all fees within our pricing.

As a small family-run firm we have the advantage of being able to keep our costs low for everyone and have signed the Fair Funerals Pledge.

Darren MacDonald, Director & Funeral Director

After 25 years working in Hampshire and Wiltshire employed by Corporate Funeral Directors, I decided I wanted to create a business where I could imprint my way of doing things on this most worthwhile service to the community.

I have always enjoyed helping people but to be allowed to proceed with someone's last wish is an absolute

With this understanding, you are helping to arrange a truly unique event, which will reflect the individual who has died and the hopes of those who loved them.

The doors of our Funeral Home were opened in 2014, complete with Workshop and Chapel dedicated by the Clergy of nearby St Thomas' Church... and we look forward to being there for you in the many years to come.

Chris Orledge, Funeral Director

I started my working career in Retail, as I had always enjoyed talking and helping someone make the right choice for them. After many years of working away, I felt that it was time to make a career change. I applied for a Trainee Funeral Director's position at Will Case & Partners, gaining a Diploma in Funeral Directing. This I achieved in 1992 after a year-long course.

To me, being a Funeral Director is more than just directing a funeral. I will go that extra mile to ensure that the family receive the very best that I can give and what they deserve, so that sometimes they become an extension of my own family.

I have seen a lot of changes in the last 34 years. Funerals have become more personal, with the families giving a lot more input to the occasion.

Richard Adlem MBE

Richard Adlem MBE, Funeral Director, who organised the burials of former Prime Minister, Sir Anthony Eden and the Author, Terry Pratchett, has worked alongside Darren MacDonald.

Whilst running his business in Sixpenny Handley, Dorset, for more than half a century Richard organised ceremonies for many of the great and good. He conducted the funerals of Royal Photographer, Sir Cecil Beaton and Flight-Refuelling Pioneer, Sir Michael Cobham.

A lifelong bachelor, however, Richard said he wants to pass the Company on to somebody who would keep the goodwill of his name going.

Procedure To Be Followed After A Death

The Procedure to follow after a death will depend on the circumstances surrounding the death. A Medical Certificate of the Cause of Death must be obtained from a doctor. This Certificate will enable you to register the death and obtain the Death Certificate.

When The Death Occurs At Home

Inform the family Doctor as soon as possible that death has occurred. He or she may write out the Medical Certificate of the Cause of Death upon visiting the home, or request you to attend the surgery for this purpose.

When The Death Occurs In A Hospice Or Nursing Home

The staff of the hospice or nursing home will inform you of the death of your loved one and will help you obtain the Medical Certificate of the Cause of Death. They will also be available to help you with advice until you contact us to make the funeral arrangements.

When The Death Occurs In Hospital

The hospital staff will inform the next of kin or named person of the death. The deceased will be transferred to the hospital chapel. The general office will arrange for the Medical Certificate of the Cause of Death to be issued.

When The Death Is Referred To The Coroner

Sometimes the Coroner will need to be informed when a Doctor cannot issue the Medical Certificate of the Cause of Death.

In these circumstances the Coroners Office will produce a certificate once the Coroner has determined the cause of death. This will be sent by the Coroners Office to the Registrars Office in the district where the death occurred allowing you now to register the death.

Registering A Death - Who May Register?

If the person died in a house or a hospital, the death can be registered by:

- · A relative
- · Someone present at the death
- · An official from the hospital
- The person arranging the Funeral

Deaths occurring anywhere else can be registered by:

- · A relative
- · Someone present at the death
- The person who found the body
- $\boldsymbol{\cdot}$ The person in charge of the body
- The person arranging the Funeral

Registration must take place within 5 days of the death. Most deaths are registered by a relative. The Registrar would normally only allow other people if there are no relatives available.

Documents & Information You Will Need

Documents

When registering a death you will need the following:

- Medical Certificate of the Cause of Death And if available:
- · Council Tax bill · Driving Licence · Passport
- · Proof of Address · Birth Certificate · NHS Medical Card

Information you will need to tell the Registrar:

- \cdot The person's full name at time of death \cdot Any names previously used (e.g. maiden name) \cdot The person's date and place of birth \cdot Their last address \cdot Their occupation
- The full name, date of birth and occupation of a surviving spouse, late spouse or civil partner • Whether they were receiving a State Pension or any other benefit

Tell Us Once

Tell Us Once is a service that lets you report a death to most government organisations in one go. Tell Us Once will notify: \cdot HM Revenue and Customs (HMRC) \cdot Department for Work and Pensions (DWP)

 $\cdot \text{ Passport Office} \cdot \text{Driver and Vehicle Licensing Agency (DVLA)} \cdot \text{The Local Council } \cdot \text{Veterans UK}$

Documents You Will Receive

If a post-mortem is not being held, the Registrar will issue you with:

- Certificate for Burial or Cremation (Green Form) Given to the funeral director as soon as possible
- Certificate of Registration of Death (White Form) Known as a BD8, this form is for DWP purposes
- · Death Certificate

A certified copy of the entry into the register

If a post-mortem is being held to determine the cause of death and the deceased is to be cremated, the Coroner will issue a Form 6 Certificate to the Funeral Director.

Other Things That Need To Be Done

Not everything can be done straight away, particularly as this is a very difficult time for people to cope with, but it is important to:

 \cdot Make sure everyone who needs to know is told \cdot Arrange to see the deceased's Solicitor and read the Will as soon as possible, this will tell you if there are any special funeral requests and who the Executors are.

Funeral Plans

What is a funeral plan?

A funeral plan is an easy way to pre-arrange the funeral you want and pay for the funeral director's services covered by the plan in advance. A plan can help to save your family worry and expense, and help make things easier for your loved ones at what is often a difficult time.

It's a straightforward way to do something amazing for your family. Few people like to talk about their funeral, a funeral plan can make things easier for everyone – so that when the time comes, we will then carry out your plan according to your wishes, relieving your family of the stress and financial worry they may otherwise have to face.

When you get in touch, we will be happy to discuss your funeral requirements and tailor a plan to suit you. Rest assured, our plans are available to everyone, regardless of age or state of health.

A plan that's tailored to your needs

As an independent funeral director, we'll take the time to understand your wishes and tailor a plan to suit you. We will gladly meet you at our premises or in your home at a time that suits you, when it is safe to do so. You can tell us about any preferences you have in mind – the type of funeral you would like to have, hymns, music or any other personal touches – and we'll make sure your plan takes these into account.

Choose how you would like to pay

Spread the cost or make a one off payment. Funeral plans offer a number of ways to pay for your funeral plan – simply choose the one that's right for you.

Looking after you as a customer

As a funeral plan holder, you'll receive personalised plan documents, which include a summary of your plan, your funeral director's details, your plan holder certificate and a personal membership card for you to carry.

Your funeral director will hold full details of your funeral plan. When the time comes, one phone call is all it takes to activate your plan and get the arrangements underway.

FAQ's

In our opinion there is no such thing as a normal funeral. Each and every funeral is individual to the family concerned. It is up to that family to pay their last respects and say their last farewell in the manner that is most suitable for them. The following information is there to help answer questions that we are most often asked about the funeral and services associated with it:-

(Q). What are Doctors Forms?

(A). When a funeral is a cremation, two doctors must attend & certify death. The first doctor must be the doctor who attended the deceased during his/her last illness. The duty of the second doctor is one of confirmation. This doctor must not be related to the first doctor either through family or practice. For this service, each doctor makes a separate charge, which we usually pay on behalf of the deceased's family.

(Q). How Many People Can Be Seated In The Limousine?

(A). In each limousine there is room for six people in the rear compartment and room for one in the front.

(Q). How Do We Know What To Do At The Funeral?

(A). On the day of the funeral we are there to help and guide you, your family and friends. If you are unsure of anything please tell the Funeral Director.

(Q). Can The Family Carry The Coffin?

(A). Yes, although we would ask that you contact us as soon as possible to ensure that it is safe to do so.

(Q). Can We Visit The Deceased And Pay Our Last Respects?

(A). Yes, our Funeral Home is available to you by appointment. If you wish to visit our private chapel, please ring and inform us when you would like to come and we will be pleased to arrange for a member of staff to meet you.

(Q). Can We Have The Deceased Brought Home?

(A). Yes, we can bring the deceased home either on the evening before the service or the morning of the service.

(Q). Can We Choose What Music Is Played At The Crematorium?

(A). Yes, If you have a special request or would like a particular piece of music playing either as you walk into or out of the Crematorium Chapel, please let the Funeral Director know.

(Q). Can We Request Donations To Charity?

(A). Yes, if donations to charity are requested in lieu of flowers, we will accept and list donations on your behalf and forward them to the charity of your choice.

(Q). Does The Coffin Move After The Funeral Service At The Crematorium?

(A). No. After the service has ended, the coffin does not move until all relatives and friends have left the Crematorium Chapel. At some Crematoria there are curtains that close at the head of the coffin, but this is only done at the request of the relatives.

(Q). Are The Handles On The Coffin Removed Before The Cremation Takes Place?

(A). No. There are strict laws regarding cremation. Nothing may be removed from the coffin before cremation without the permission of the Home Office.

(Q). Is Each Cremation Carried Out Individually?

(A). Yes. The identity of the coffin name plate is checked by the Crematorium Attendant before it is placed in the Cremation Chamber. This only holds one coffin or casket at a time and again there are rules that must be abided by.

(Q). Do I Get The Cremated Remains Back That Belong To Me?

(A). Yes. Once the cremation has taken place, the cremated remains are removed and left to cool before being placed in an urn. This urn is clearly identified as to whose remains they are.

(Q). What Can I Do With The Cremated Remains?

- You can place them in the Garden of Remembrance but you may not know where they are and you can not place a headstone with them.
- You may wish to purchase a grave just for the purpose of interring the cremated remains. This allows you to have a headstone and have other members of the family buried there in the future.
- You may keep them at home in a special urn or memorial.
- 4. You may scatter them in a special place.
- 5. The remains may be buried in an existing family grave.
