

Spa 1919

2026 Season

Welcome to Spa 1919 — a full-service spa, salon, and wellness experience designed to restore balance, enhance radiance, and elevate performance.

WHAT DOES 1919 REPRESENT?

In 1919, a portion of the land that is now part of Rock Creek Cattle Company was purchased by Charles H. Williams and Peter Pauly. The Williams and Pauly Outfit, which originated from this purchase, grew into a substantial ranching operation over the following decades, eventually leading to the establishment of Rock Creek Cattle Company in 1971.
