

*Our mission is to provide high-quality meals at no cost to people suffering from life-threatening or terminal diseases.*

Change for Change is a great opportunity to share about the financial impact that can be made in a non-profit. We encourage our givers to learn about the mission and importance of Compassion Delivered while understanding the long-term impact money can make for the mission. With Compassion Delivered the Change for Change goes to covering the costs of food that we need each week to ensure we can provide high-quality health meals.

You can celebrate this by bringing in change you find in your car, or in the laundry. Be creative and put together your own campaign to ask your friends and family to share their change with you. The class that raises the most change will celebrate with a pizza party or Kona Ice party provided by Compassion Delivered.

**The classroom that raises  
the most will get:**

**A Pizza Party!**

**A Visit From Kona Ice!**
