

Guidelines for Decorating

DELIVERY BAGS

Compassion Delivered prepares and delivers meals to people in our community who are coping with life-threatening illnesses such as cancer, heart disease, ALS, MS, and end-stage renal failure. Many live alone and have little opportunity to visit with people. By decorating our delivery bags, people like you help remind our clients that they are appreciated, loved, and cared about.

We love creativity! So we can't wait to see what you come up with. **Please wash your hands or use sanitizer before decorating.**

WHAT WE LOVE!

- Cheerful designs or pictures like animals, landscapes, cars, sceneries, mountains, horses, buildings, smiles, stars, the sun, etc.
- Use crayons, colored pencils, or markers. Use crayons lightly so they don't smear. Make sure we can see your artwork!
- Our meal recipients love to know who decorated their bags so feel free to write your first name, age, and/or grade on the bag.
- If you want to use stickers or affix anything to the bag, please make sure it's completely stuck on with no chance of falling off.
- Have fun! Be creative!

WHAT TO AVOID

- Do not write messages or words of any of the following. We cannot use bags with messages such as "get well soon", "stay strong", "have hope," etc.
- Do not draw specific holiday pictures.
- Do not write Compassion Delivered on the bag. But you may use our hearts.
- Do not use glitter, pastels, chalk, tempera paints, or other materials that may rub off.
- Do not cut the bags in any way.
- Do not decorate bags if you are sick or have been around anyone that has been.
- **Please no last names, school/business names, or any other personal information.**

NOTES

Once the bags are finished, we can arrange for a pick-up or a porch drop off. Also, please indicate your name/group/school when returning them so we can recognize the work! And be sure to take photos, we'd love to share them on our FACEBOOK and Instagram accounts. Thank you again!
