Aug 3, 2026

Meeting began at 6:00pm

Supervisors present, Frank Bratkovich, Bob Kabay and Phil Anderson.

PLEDGE TO THE FLAG

MINUTES: July 2026 regular and special meeting minutes were reviewed and approved.

Motion by Bob, 2nd by Phil, approved by all, motion carried.

TREASURER REPORT: was read and approved. Motion by Phil, 2nd by Bob, approved by all, motion carried.

NEW CITIZEN CONCERNS: *Joe Curran questioned if another drag/grade could be done on St Mary Cemetery Rd before the tar/chip is done by county grant because of some washboarding and because water is missing the box drain at Foust Rd (needs an inslope). Finally, asked if tree limbs that scratch car sides and roof could be trimmed back. *Matt Stimac has concerns about drainage on Foust Rd. Due to a low spot, the water doesn't make it to the box drain and the rip rap has filled in with soot/fines. Finally, his yard is very wet and causing root rot in his tree. Solutions and upcoming projected projects were discussed. *Pat West requested that a resolution be passed to allow DEP approved stream discharge small sewage systems for his Magnani boney pile property. This will need to be further investigated by Pat and the township.
