General Price List & Arrangement Guide

Thank you for trusting us.

Dear family and friends,

A funeral, memorial service, and visitation, is a time of reflection and celebration of a loved one. It is also an important time to feel the support of family and friends. Our professional staff is trained to work with you in designing a service that is as unique as the person you are honoring.

When a death occurs, a family is faced with many decisions that need to be addressed in a relatively short period of time. These decisions can leave a family overwhelmed, especially with the emotional impact that they have just experienced.

In this booklet you will find our price lists. We offer several choices to fit each family's needs and budget.

It is our desire for your family to understand all of your options. We feel that more informed families make better decisions. We have created different service options and offer a wide variety of merchandise. It is always our goal that the level of personalized service, comfortable facilities and professional staff exceed expectations.

We are extremely proud of our heritage and pledge to you and your family that the professional and compassionate care you receive from us will help you through a difficult transition, and will leave kind memories. If you have any special requests please let us know.

Thank you for placing your trust in Hinsey-Brown Funeral Service

Funeral Expenses Guidelines

While your funeral director will guide you through the many decisions that will need to be made; this section will inform you on the three parts to a funeral contract and help you better understand the price lists on the following pages.

The three parts to a funeral contract are:

A. Expenses associated with the funeral home services provided to your family. These charges are often referred to as service charges and include our professional fees, facilities, and transportation.

B. Expenses associated with the merchandise your family selects. This could include items such as a casket, outer burial container that the casket is placed in at the cemetery, register book package, etc. Please keep in mind that you will be required to pay Indiana's seven percent sales tax on these items.

C. Expenses associated with those people that play a role in the funeral service but don't work for the funeral home. These items are referred to as Outside Expenses or Cash Advance Items on the funeral contract and vary by each family's needs and wishes. These expenses might include the cemetery's fees to open and close the grave, florists, musicians, hairdressers, newspaper obituary fees, minister honorariums and any other people that a family might want to participate in the services. Be sure you fully understand all of your outside expenses as often times these items can add a significant amount to the total service costs.

Image of Funeral Service Contract
(Statement of Funeral Goods and Services Selected)

Thank you for trusting us.

We sincerely appreciate the opportunity to serve your family during your time of need. At Hinsey-Brown Funeral Service it is our goal to assist every family, regardless of their financial resources. We have a range of payment options that can meet any family's needs. Please place your initials beside the appropriate payment option that best suits your financial situation with regard to the funeral expenses. This will indicate the method you have selected to pay for the funeral goods and services listed on the Statement of Goods and Services Selected.

_____ **Option 1: Payment** in the Full amount by cash or by check: by noon the day after arrangements are made.

_____ **Option 2: Payment in full by Visa, Master Card, American Express or Discover:** by noon the day after arrangements are made. If the amount due exceeds your credit line, you may use cards of several family members, have your credit line increased, or pay the balance in cash or by check.

_____ **Option 3: Life Insurance Assignment:** Most insurance companies allow the beneficiary of the policy to assign payment of the funeral expenses from the proceeds of the policy. For your convenience we accept Assignments and work through a third party specialist, Advance Funeral Funding, to process and expedite all Insurance Assignments. Advance Funeral Funding charges a 3 ½ % fee to process all claims which will be added to the funeral bill. Beneficiaries may choose to claim any benefit in excess of the funeral expenses to be liquidated at the time of the arrangements. All assignments, if this method is chosen, will be verified by Advance Funeral Funding and if it is deemed that the Insurance is not assignable, has lapsed or is invalid, an alternate method of payment (Options 1, 2, or 4) will be necessary. If the amount of the insurance benefit is less than the funeral expenses, choosing one of the other payment options for the remainder can satisfy the balance.

_____ **Option 4: Bank Note:** If Options 1-3 are not viable, payment from the proceeds of a personal loan through a bank or other lending institution may be used for the funeral expenses. Until this method of payment has been secured we will not proceed with scheduling the visitation and services or running public obituary notices. Once payment has been secured we will proceed with all arrangements. While we will assist you in the loan application process, we emphasize that this agreement is strictly between you and the bank. We are not party to the loan agreement. The loan proceed check will need to be made jointly to you and to Hinsey-Brown Funeral Service Your endorsement of the loan check will allow for the full amount to be credited against your obligation to us.

A word about estates: If you are looking for the estate of the deceased to pay the funeral expenses, **you must select one off the above payment options for the interim until the estate is settled, as we are unable to wait for the settlement of estates.** When the estate is settled, reimbursement can be made to those who made payment to the funeral home. The above options have been explained to me and I have selected the option(s) initialed above.

We appreciate the opportunity to serve you and your family.

State or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. Either a grave liner or a burial vault will satisfy these requirements.

Code of Good Practice

The Selected Independent Funeral Homes' Code of Good Practice

As funeral directors, our calling imposes upon us special responsibilities to those we serve and to the public at large. An important obligation is to provide information so that everyone can make knowledgeable decisions about funeral and cremation services.

In accepting our responsibilities, and as a condition of our affiliation with Selected Independent Funeral Homes, we affirm the following standards of good practice and hereby pledge:

1. To **provide the public with information** about funeral and cremation services, including prices, functions and the responsibilities of funeral directors
2. To make services available in **as wide a range of price categories** as necessary to meet the needs of all segments of our community, and to affirmatively extend to everyone the right to inspect and freely consider them all
3. To **quote conspicuously** in writing the charge for every arrangement offered, and to clearly identify the services, facilities, equipment and merchandise included in such quotations
4. To **adhere to the highest standard of conduct** in all aspects of business
5. To afford an ongoing **opportunity to all persons to discuss or arrange funerals in advance**
6. To **ensure that pre-need contracts fully disclose** those items which are guaranteed and those which are nonguaranteed, in terms that are clear and easy to understand
7. To **manage prepaid funds responsibly**, ensuring that promises are honored, and expectations are met, within the letter and spirit of the law
8. To make no representation, written or oral, which may be false or misleading and to **apply a standard of honesty in all dealings**
9. To furnish each family, at the time arrangements rule made, with a **written memorandum of charges** and to make no additional charge without their approval
10. To **respect all faiths, creeds and customs**, and to give full effect to the role of the clergy/celebrant
11. To maintain **qualified and competent staff, appropriate facilities and suitable equipment** required for comprehensive funeral and cremation services
12. To assure those we **serve the right of personal choice** in making service arrangements

We pledge to conduct ourselves at all times in a manner deserving of the public trust, and to provide a copy of the Code of Good Practice to the families we serve.
