BLACK HIP-HOP SNEAKERS (available in child & adult styles):

Note: While these Hip-Hop sneakers are of the type that kids may want to wear for regular use, we must ask that your Hip-Hop sneaker be a dedicated shoe *used only for dance class*. They are ***never to be worn to class*** but should be kept in your dance bag and transported to the studio to change into and out of.

Our dance flooring is a special unfinished floor that is easily damaged by dirt and debris that might be brought in on shoes worn outside. Likewise, dust and debris on the floors can cause our dancers to slip and fall. Please help keep our dance environment safe by dedicating your hip-hop sneaker to just dance class!
