REQUIREMENTS:

Ballet Training: All dancers participating in Nutcracker must be currently enrolled in at least one ballet class (or for those under the age of 7, Preschool Dance, Ballet/Tap Intro, Combo or Mini-Hop) or have had ballet within the last year, *at Dance Arts of Yardley or at a reputable ballet school.*

Eyeglasses: Dancers must be able to, and agree to perform without the use of eyeglasses onstage. Please consider this requirement before committing to Nutcracker participation.

REHEARSALS:

Rehearsals will begin Sunday October 5th, and for most dancers will be held Sundays generally between 10:00 am and 3:00 pm. **PLEASE NOTE: *Not all dancers are required to be there all of that time!*** Different dances will rehearse during that time. Rehearsals may be scheduled rotationally so the same dancers are not always in the same time slot.

Any dancer missing more than 2 rehearsals (without a written medical excuse by a physician) may be removed from the performance. No refunds of fees will be given.

PERFORMANCE FEES:

We are happy to offer this additional dance opportunity, however we have no independent source of funding for a production of this magnitude, so we do request a small amount for rehearsal fees, and costume rental. These are detailed below:

Fees will be charged to each dancer's portal on October 5th.

Costume Rental: \$30 per dancer

Rehearsal fee (includes links to media package – all candid photos and videos!) – 1 role: \$125

Rehearsal fee (includes links to media package – all candid photos and videos!)– 2 or more roles: \$165
