Company Information

Children's Universal Behavior Services (affectionately known as "CUBS") was founded in the Pocono Mountains to meet the growing need for comprehensive behavior services for children, their families, and educational institutions affected by autism and related disorders.

Our team has a distinct and effective approach to implementing behavior analytic services, grounded in the evidence-based practice of Applied Behavior Analysis (ABA). CUBS individualized behavior programs have a common goal - to encourage wellness, foster independence and inclusion, prepare for learning, and promote personal empowerment so that children and their families can **THRIVE**. By actively engaging with their communities, peers, and collaborative care providers, children are more likely to maximize their potential and quality of life.

CUBS operates a center in Shawnee on Delaware, Pennsylvania and serves children ages 0-13 in school, home, and community-based settings with exceptional therapeutic and habilitative treatments. Services also include parent training and consulting, as well as training for professionals who are involved in the treatment and education of children.
