

PLACEMENT CONSENT FORM

FOR ALL STUDENTS ENROLLED IN COURSES REQUIRE PLACEMENT

As part of your course requirements, Care Education Australia (“the Institute”) supports students in completing mandatory work placements. However, please read and acknowledge the following important conditions before enrolment.

Institute Role and Limitations

The Institute will provide guidance and reasonable support to assist students in finding suitable placement opportunities.

The Institute cannot provide a 100% guarantee of placement. Students must actively make efforts to secure and maintain their own placement.

Placements are subject to the availability and acceptance of host organisations, which are outside the Institute’s direct control.

2. Student Responsibilities

Students must be proactive in applying for and securing placements, including preparing resumes, attending interviews, and meeting workplace requirements.

Students must comply with all workplace policies, schedules, and professional standards set by the host organisation.

Students must maintain communication with both the Institute and the placement provider throughout the placement.

3. Placement Conditions

Specific demands regarding days, hours, or preferred locations cannot always be met. Flexibility is required.

If a student refuses a reasonable placement opportunity, the Institute is not obliged to provide alternative options.

Requesting multiple changes or replacements involves significant time and cost, and will not be entertained unless there are valid, documented reasons.

Failure to attend, perform, or complete placement may delay course completion and is the responsibility of the student.

If a student repeatedly refuses or withdraws from reasonable placement opportunities without valid cause, the Institute reserves the right to withdraw placement support.

4. Costs and Liabilities

Any checks, additional costs (e.g. travel, uniform, vaccinations, checks etc.) are the student responsibility.

The institute is not responsible for any loss of income, expenses, or damages incurred during placement.

Terms and Conditions

I, understand, have read, understood, and agree to terms & conditions set out on this consent form above regarding placement as part of my enrollment at Care Education Australia (CEA).
