Open the door to Great Futures

## Welcome to Spring 2026 at the Club!

When a young person walks through our doors, they're not just joining an afterschool program — they're entering a comprehensive Out-of-School Time (OST) experience designed for growth, discovery, and belonging. At the Boys & Girls Club of Moody County, we create space for connection, support, and exploration beyond the classroom. Here, youth feel safe, valued, and encouraged to grow into who they are meant to be.

This spring, our OST programs are intentionally crafted to spark curiosity, build confidence, and help members stay on track academically — all supported by trusted mentors who show up every day and genuinely care. Because at Boys & Girls Club, Great Futures Start Here.

## Moody County Needs Club Kids!

Strong kids build strong communities, and the future depends on how we invest in our youth today. In Flandreau, Club members are gaining the skills, resilience, and leadership they need to thrive. When Club kids succeed, our whole community grows stronger. Moody County doesn't just benefit from Club kids — **Moody County needs them!**

## Reminder BEHAVIOR POLICY

- At Boys & Girls Club, we want all members to feel safe, respected, and supported. To help with this, we use a point system to address behavior concerns in a fair and consistent way:
- **Consequence Form (1 point):** For smaller behavior issues.
- **Incident Report (2 points):** For more serious concerns (such as hurting others, threats, theft, or possession of substances).
- **Daily Rule:** 3 points in one day = member must be picked up or stay home the next day.
- **Weekly Rule:** 5 points in one week = member must be picked up and take at least one day off.
- Additional steps may include short suspensions for more serious actions (such as harming staff, damaging property, or repeated issues). Points reset weekly, and our team reviews each situation carefully.
- This system helps members learn accountability while giving them the chance to grow and improve. Thank you for partnering with us to ensure a safe and positive Club experience for all kids!

## Reminder TOYS & ITEMS FROM HOME

To keep the Club safe, organized, and focused on learning and fun, we ask that all toys and personal items from home stay at home or in your child's backpack during program hours. Please note that the Club is not responsible for any items from home that may be lost, stolen, or broken. Thank you for helping us create a positive environment for all members!

## Reminder Cell Phones & Social Media

Use of Facebook, Snapchat, TikTok, and all camera or video features on personal devices is not allowed while at the Club. This protects the privacy and safety of every member.

## Reminder Teen Center Reminders

To ensure the Teen Center remains a safe, fun, and welcoming space for everyone:

- **No Camera Use**
- Teens may not use the camera or video functions on their mobile devices while at the Teen Center. This helps us maintain a secure environment and protect the privacy of all members.
