REASON: Please indicate why you are interested in school choice. In order to evaluate the program effectiveness it is helpful to know the reasons why students wish to attend schools. Information collected will have no bearing on acceptance; if more slots are needed than available we will conduct a random lottery.

SIGNATURES:

We have read and understand the guidelines pertaining to the Kingdom East School Choice Program. We understand that parents and guardians are responsible for the transportation to and from the choice school. Parents may transport their child to the closest bus stop for the school. Acceptance into a School Choice Program is contingent upon a determination by cooperating schools that a student is in good standing.
