Any resident related damage that was not noted on your Move in Documentation form will be deducted from your security deposit. This cost averages \$75 per man hour.

 **Floor Cleaning** – Part of your deposit goes towards the cost to professionally clean the carpet in your home. You are not allowed to hire your own floor cleaning company or use a “rug doctor” system, often rented in grocery stores. The cost of yard care averages \$65 per man hour.

 **Items Left Behind** – For recommendations on junk removal companies or donation sites click [here](#). Items left behind will be destroyed, donated to charity, or disposed of after your move out. You will be charged for the removal of the items as well as the disposal fee. That charge averages \$65/hour + dump fee with a 1 hour minimum.

 **Contact Utility Companies** – Discontinue any utility services in your name as of your scheduled lease end date. You are responsible for utility billing until your scheduled lease end date.

 **Cancel Automatic Payments** – Cancel any automatic payments you may have scheduled through the online portal.

 **Forwarding Address** – Provide us with a forwarding address prior to returning your keys. If we do not receive a forwarding address from you, we will send any future mailing to the address you last rented from us and assume you put in a change of address with the US Postal Service.

 **Turn In Keys** – When you vacate your home, **please return your keys to our office** in our drop box. Please make sure the keys are labeled with the address. When you return your keys, we will consider the unit vacated; you will not be allowed back into the rental home. Please do **NOT** leave the keys in your home.
