2026 ANNUAL GIVING & SPONSORSHIP PACKET

This year, we're trying something new that we hope makes supporting YES easier for you. Instead of sharing giving opportunities and event sponsorships one at a time throughout the year, we're presenting them all together in one place. We've also added new sponsorship levels that allow you to support multiple events at once, with a single commitment rather than multiple transactions and emails. It's a more simple way to make an impact across the year as we serve Nashville's kids and families.
