

During this most critical election year of 2024, many people are campaigning for political positions. We extend an invitation to all who wish to join the National Campaign for REVIVAL!

May revival always be first and foremost in our prayers and actions.

The National Association of Christian Lawmakers is a very effective organization to help Christian State Lawmakers learn from other Legislators about model bills they have passed in their respective states to protect the life, liberty, and pursuit of happiness of their citizens. We hosted pastors from three states to take part in this informative meeting. Speaker Mike Johnson was a special speaker. Brother E.W. Jackson, *pictured right*, a true patriot pastor was there speaking as well. It was a blessing to meet him.

U.S. Representative Mike Collins

I continue to be amazed and thankful for God's divine appointments. While hosting the Georgia Pastors we were invited to attend a ***Prayer Meeting at the Museum of the Bible*** where there were many Senators and House Representatives who are genuine Christians who prayed for our country and a national revival. This continued from 6:45am to 1:00pm.

EVERY PUBLIC SERVANT WE MET WAS THANKFUL TO BE PRAYED FOR BY THESE PASTORS WHO ALSO REPRESENT THEIR CONSTITUENTS. MANY TIMES THEIR EYES BEGIN TO TEAR UP, THE COMMENTS WHICH I HEAR OVER AND OVER AGAIN IS "THANK YOU FOR COMING", AND "WHEN CAN YOU COME BACK?" I AM THANKFUL FOR THE OPPORTUNITY TO HOST PASTORS WHO TAKE TIME TO MAKE A DIFFERENCE IN THE LIVES OF OUR LEGISLATORS WHO CAN MAKE A DIFFERENCE IN OUR COUNTRY.

U.S. Representative Buddy Carter

Congressman **Barry Loudermilk**, pictured to the right, is one of the best out of the 435 members of Congress. He has a very deep and defined faith and great knowledge of our National Christian Heritage. Representative Loudermilk truly embodies the spirit of the Founding Fathers.

U.S. Congresswoman Marjorie Taylor Greene is a born again believer by her own testimony. She consistently stands strong for our Life, Liberty, and the Pursuit of Happiness. Because of this, she has been attacked and the leftists have attempted to malign her character. And yet, she continues to stand strong for Constitutional principles and her constituents.

During the Prayer Partnership with God's men from Missouri, we had a divine appointment with Freshman Congressman and former Navy Seal Eli Crane of Arizona. We heard him say, "I am not concerned if I win another term in office. My concern is for my country, which I fought for, the Constitution, and my constituents who I represent." We prayed for him in his office and thanked him for his service to our God and our Country. What a Patriot!

One of our great pleasures is hosting Pastors for the Prayer Partnership. Once in awhile, when Congress is not in session, there are Pastors who want to come and see our Nation's Capitol, Museum of The Bible, Historic Annapolis, and other sites. Such was the case with our good friends Pastor Keith and Mrs. Karen Sweitzer. We had a blessed time of encouraging fellowship, as God's Word says in Proverbs 27:17, "Iron sharpeneth iron; so a man sharpeneth the countenance of his friend," We are thankful for friends in the ministry.

ON THE ROAD WITH MISSION TO AMERICA!

Phillip Brock is the pastor of the Hurricane Baptist Church in Mississippi. It is always a special joy to speak there and see our God's hand powerfully upon a young Pastor following the old paths. Pastor Brock is wise beyond his years and always a gracious host. The hope for America is the New Testament Church, pastored by men like Phillip Brock.

One of our favorite Churches is Patuxent Baptist Church, and some of our favorite people are Pastor Rick Conner and his dear family. Whenever I preach there the good people of Patuxent Baptist are always very gracious, responsive, and welcoming. We are thankful for such dear friends.

It was an honor to speak at the *Making A Difference Conference* in Florida. To see a high energy Church family as the Riverland Baptist Church come each night with a great expectation of God working in their lives, was so encouraging to everyone who attended. The fellowship was a great blessing as well with Pastors Barry Parsons, Glenn Riggs, Sam Riggs, Keith Carringer, Mike Wells and our host Pastor Rex Carringer. We are happy in the service of the King!

Pictured to the right is Pastor Robert Sutton and his wife Kim. Brother Sutton is a true Patriot Pastor who has an excellent testimony not only as a Pastor but to all the Florida Legislators! He has the biblical balance by keeping the gospel ministry of preaching the spiritual liberty in the salvation of the Lord first and foremost but also protecting the civil liberty which has given us the freedom of the pulpit for over 247 years.

One of our earliest supporting churches is the Lighthouse Baptist Church, pastored by Paul Arcand II. This church is really making a difference in our country by serving God with joy and enthusiasm! We always enjoy seeing a Holy Spirit empowered ministry for our Lord done in a first class way! I am thankful for Pastor Arcand, his family, and Church family, who give us hope for America!

This is a special mention of Pastor Jared Shipman, who leads the great people of Gospel Light Baptist Church in Kansas City, KS! Pastor Shipman, is a faithful servant, gracious host and a genuine friend!

It is amazing to me how God knits the hearts of his people together. My wife and I feel as if we have known Pastor and Mrs. Costantino all our lives. This dear couple is the personification of integrity, graciousness, and joy in serving the Lord.

We have known the Horton's for years. I taught their son in law and daughter in Bible College. Pastor Louis Horton and his dear wife have been supportive of this ministry from the very beginning.

Preaching at Immanuel Baptist Church is like coming home. We always enjoy the amazing spirit of the Horton's and their church family. These are some of the most faithful christians that I know.

I had the honor of preaching the first day of the Missions Conference at Victory Baptist Church in Staunton, Virginia. The moment I met Pastor Ogden and Associate Pastor Layne Lashley I knew I had met some friends. God entered in on this Sunday and the entire church was at the altar, with one exception. When I witness altar calls like that I see God's willingness to have mercy on our nation.

It is always a great joy to preach at Seagate Baptist Church in Naples Florida, Pastored by Glenn Wiggins, my good friend and genuine servant of the King. I enjoy the high energy of the church family, led by this vibrant pastor, who is always a gracious host.

We have entered into the most critical election year of our nation's history. Proverbs 16:33 says ***"The lot is cast into the lap but the whole disposing thereof is of the Lord."*** God's people must vote biblical principles. ***Exodus 18:21 gives us the attributes of a good candidate, "...able men, such as fear God, men of truth, hating covetousness..."***

Jo and I greatly appreciate your prayerful and financial support of [Mission To America](#)! We are praying for you daily and count it an honor to be one of your missionaries! Capitol Hill is a critical mission field. The only hope for America is revival, so we must keep the pulpit free from government interference and we can do that by voting. Pray that God stirs the hearts of His people to vote!
