

Mission To America had the honor of hosting the Louisiana Pastors for a PRAYER PARTNERSHIP. Every Legislative Leader we had the opportunity to pray with was beyond appreciative! One US Representative took us into the Capitol Prayer Room where we called upon our God for His grace and mercy for our nation. Another US Representative asked us if we could feel the darkness. Our reply was yes and that is why Pastors spend time and money to come and encourage them through prayer.

One thing we realized is many Legislative Leaders are always open to the opportunity of prayer. It doesn't matter to them where that opportunity presents itself. To the right is a photo of Florida U.S. Rep John James and I praying in the hallway of Congressional Office Building.

The Museum of the Bible is always a favorite sight for pastors. It is very fitting our great Republic with our Christian heritage has a world class museum dedicated to the Word of God. Here the Florida pastors enjoy looking at three copies of the 1611

U.S. Representative Byron Donalds is a great patriot. Pastor Robert Sutton has a good relationship of trust with him. Always busy, Representative Donalds was ready to pray with us and allow the Florida pastors to encourage him.

Senator Rick Scott took time out of his busy schedule to pray with the Florida Pastors. He graciously gave us some time so we could encourage him and to inform him how many churches in his state appreciate his stand for life, liberty and the pursuit of happiness.

U.S. Representative Kat Cammack, of Florida district 3 is a force to be reckoned with. I refer to her as one the tribe of Deborah. She is expecting a child and still on the front lines as a true public servant. She is following God's guidance, adhering to the US Constitution and representing her constituents faithfully.

ON THE ROAD WITH MISSION TO AMERICA

WE ARE THANKFUL TO GOD FOR ALLOWING US MEETINGS IN IOWA, WISCONSIN, GEORGIA, TEXAS, MARYLAND, MISSOURI, NORTH CAROLINA, KENTUCKY, OREGON, INDIANA, AND TENNESSEE. ENCOURAGING GOD'S MEN AND GOD'S PEOPLE IN THEIR DUTY TO OUR GOVERNMENT IN ORDER TO KEEP THE PULPIT FREE, SO THE GOSPEL OF JESUS CHRIST CAN GO FORWARD.

It was an honor to speak at the “Our Time” Youth conference, hosted by my good friend Pastor Joe Brown and the good people of the Marion Avenue Baptist Church in Iowa. The theme this year was TRUST. Pastor Brown asked me to come and speak on In God We Trust. What a blessing to see over 800 young people so excited about our miraculous nation.

It was an honor to speak on Patriotism and Politics during break out sessions, three days at the National Sword of the Lord conference in

What a privilege to speak at the Regional Church Growth Conference along side good friends Pastor Jeff Fugate, Pastor Craig Bush, and Pastor John Seay who hosted the meeting with the kind people of the Frederick Baptist Church! It was well attended and touched by the Holy Spirit!

I was privileged to have meetings with the following Patriot Pastors. They personify the colonial pastors of yesteryear who were the moral force behind the War for Independence. Keeping the precious gospel and spiritual liberty of our Saviour Jesus Christ first and foremost and guarding the civil liberty of our country. I am thankful to know these men and honored to call them my friends!

I was invited by a good friend and pastor to go to Normandy, France leading up the 81st anniversary of D-Day to speak to some Independent German Baptists. On our first day together I told them, when a nation forgets God, falsehood takes it's place. For Russia, it was Communism, Italy it was Fascism, and for Germany it was Nazism. I encouraged them not to allow their country's past mistakes to define who they are or what they are going to do for the Lord. God could use them to bring God to Germany one message at time, one soul at a time.

My wife Jo and I want to thank you for your investment in this Mission to America. THERE ARE GREAT AND PROFOUND THINGS OCCURRING EVERYDAY TO HELP OUR NATION. We are thankful God allows us to be on Capitol Hill praying for and encouraging those in Congress to follow God's leading and help our President bring our nation back to it's Constitutional moorings. We pray for you and your ministries daily and count it an honor to be one of your missionaries.
