

## Northfield Women's Center

We would love to build  
and enhance our connection  
with your *Church*

Here are just a few ways your church can  
partner with Northfield Women's Center.

- Prayer
- Volunteer - Individuals & Groups
- Financial Support
- Mom's & Dad's Support Groups
- Valuing Life Presentation - all ages
- Host a Baby Shower
- Baby Bottle Campaign
- Serve as a Board Member
- Host a Pancakes & PJ Breakfast

For more information on these  
opportunities, please see the reverse side.

## Prayer

We believe that prayer is essential to the work we do here. Please pray for the following over the Center:

**Empathy and Compassion:** Deepening our relationships with clients.

**Guidance and Wisdom:** Encouraging our clients to make thoughtful and informed choices.

**Hope and Healing:** Providing comfort and support to the women, babies and families during difficult times.

**Unity and Strength:** Uniting our Center's team to work together towards our mission.

By weaving prayer into our daily practices, we create an atmosphere of peace, resilience, and love that ultimately enhances the care we offer.

## Volunteer

There are countless opportunities available, whether you're looking to assist with daily tasks, special projects, events, or client interactions – there's something for everyone. If you have a ministry or youth group eager to serve in the community, we can help with that.

## Financial

Our organization is dedicated to offering all of our services free of charge, made possible by the generous contributions of our donors. By choosing to donate, churches, individuals, and organizations play a vital role in sustaining our programs as well as enabling us to enhance our services and create new initiatives that respond to the changing needs of the women and families we help.

***Will you join us in making a meaningful impact?***

Your generosity not only supports our programs but also fosters hope and resilience in the lives of those we serve.

If your church is interested or would like more information about our organization please use the Contact Us QR code below to reach out to us.
