

VIRTUAL ROUNDTABLE EVENT

# A Journey From On-Prem Active Directory to Entra ID

Presented by HID and TX Systems

## What

Join us for an interactive [roundtable](#) where IT leaders and security professionals share real-world strategies for moving from on-premises Active Directory to Microsoft Entra ID. Share experience with peers and learn how modern authentication elevates your cloud security posture.

### Migration Stories

Lessons learned from on-prem AD to Entra ID.

### FIDO For MFA and Passwordless

Why FIDO credentials matter in the cloud.

### HID FIDO Positioning

Simplify the rollout of passkeys and FIDO credentials.

### Enterprise Integrations

Practical approaches to backend management.

## When & Where

Wednesday, Sep 17

10:00 AM Pacific

Online Event

Join from anywhere via Microsoft Teams

## Contact

(858) 622-2004
