# ESC To Goal - Combination Box

Player A passes to player B who flicks the ball through for player C.

Player A passes to player B who passes to player D, who passes a through-ball for player C to run onto.

Player A passes to Player B, who passes back to Player A, who then plays a through-ball for Player C.

Player A passes to player B, who passes to Player D, who plays a through-ball for player B.

For all variations:
Alternate which side ball starts on opposite side.

Rotation:
Player A moves to player B's spot, Player D moves to player C's spot.
