

COSHH Risk Assessment

052193_TRIPLE 8 ULTRA CLEAN RTU

Physical Properties (9):	Classification (2.2)	Environmental:	Important:
 <p>Liquid; purple colour; floral odour; pH 10; boiling point ≥ 100 C; soluble in water; relative density 1.003.</p> <p>MSDS: 03/06/2025 Version: 10.81</p>	<p>CLP: Not classified. No hazard pictograms/signal word. No labelling applicable.</p>	<p>Rapidly degradable.</p> <p>Avoid release to the environment.</p>	<p>Ready-to-use professional disinfectant-cleaner in trigger spray. Avoid eye contact; prolonged/repeated skin contact may cause dryness.</p>
STORAGE (7)			
Hazards During Storage:	Incompatible Materials:	Control Measures:	Action Required:
<p>Low risk in normal storage. Damaged/leaking containers may cause skin/eye contact and slippery floors.</p>	<p>Oxidising agents; strong acids; strong bases.</p>	<p>Keep container closed when not in use. Keep only in original container and store away from incompatible chemicals.</p>	<p>Store upright. Check containers for leaks/damage. Clean any spill promptly and replace damaged trigger/container.</p>
Normal Use:	Good Practice Controls:	USAGE	Control Measures During Use:
<p>Spray onto surface or cloth and wipe to clean/disinfect hard surfaces. Use as supplied.</p>	<p>Do not mix with other chemicals. Avoid spraying near face. Do not eat, drink or smoke when using. Wash hands after use.</p>	<p>Professional cleaning and disinfection of hard surfaces only.</p>	<p>Normal ventilation is adequate. Avoid eye contact. Wear chemical-resistant gloves for prolonged/repeated contact; eye protection if splashing is likely.</p>
FIRST AID MEASURES (4)			
<p>Inhalation: Move person to fresh air and keep comfortable for breathing.</p>	<p>Skin: Wash with plenty of water. Prolonged/repeated contact may dry the skin.</p>	<p>Eyes: Rinse cautiously with water for several minutes. Remove contact lenses if easy. Continue rinsing; get medical advice if irritation persists.</p>	<p>Ingestion: Give nothing or a little water to drink. Get medical advice/attention if unwell.</p>
DISPOSAL			

Dispose of contents/container in line with local procedures and licensed collector's sorting instructions.	Do not release large quantities to the environment. Contain and collect spillages.	Empty containers: dispose/recycle according to site waste procedure and local regulations.	Waste code: 20 01 29* detergents containing dangerous substances.
--	---	--	---

Risk Classification:	 Overall Risk: Low - not classified; minor risk of slight eye irritation or dry skin if exposure is prolonged/repeated. Follow controls above.
