

COSHH Risk Assessment

Triple 8 Dose Multi Purpose Cleaner 1L_ 052511

PROCESS STAGE	POTENTIAL RISK	CONTROL MEASURES	ACTION REQUIRED
HAZARDS IDENTIFICATION			
 Colour: Red Appearance: Liquid. Odour: Odourless. pH: 10.5 = highly alkaline Incompatible with acidic cleaners (like vinegar, with a pH of around 2.5)	H315 - Causes skin irritation. H319 - Causes serious eye irritation. Mixing it with acidic cleaners (like vinegar, with a pH of around 2.5) can cause a chemical reaction. The products can neutralize each other, rendering both the alkaline cleaner and the acidic cleaner ineffective. Mixing can sometimes release toxic gases, especially with certain common household chemicals like bleach and ammonia or vinegar.	Store in a well-ventilated place. Keep cool. Avoid contact with skin and eyes. Wear personal protective equipment. Store in its original container. Keep containers in secure storage areas. Restrict access to storage areas to authorised personnel. Do not mix with any other product	Use oldest stock first. Make regular checks to ensure that storage area is clean and tidy. Make regular checks to ensure that containers are not split or blown. DO NOT Mix with Vinegar or other strong alkaline cleaners (e.g. caustic soda)
STORAGE			
Store upright in a cool, dry storage area. Store in its original container.	Risks with normal use: Risk of eye contact. Risk of skin contact. Risk of ingestion. Risk of spillage onto floor and into drainage system.	Containers must be stored upright in a cool, dry storage area Store in its original container. Keep container closed when not in use.	Wear Appropriate PPE: Put on chemical-resistant gloves Do not breathe mist/vapours/spray Avoid contact with skin and eyes. Do not eat, drink or smoke when using this product. Always wash hands after handling the product.
USAGE			
Fast acting general purpose cleaner for all water washable surfaces. Contains a clean pine fragrance leaving the room with a fresh 'just cleaned' atmosphere. Equally effective as both a trigger spray cleaner as well as a damp mopping detergent.	Causes skin irritation. Causes serious eye irritation. Risk of spillage onto floor and into drainage system.	Handle the containers with care. Ensure that the container is returned to store when not in use. Always read the manufacturer's instructions prior to use. Ensure that all spillages are wiped up immediately.	Wear Appropriate PPE: Put on chemical-resistant gloves Avoid contact with skin and eyes. Take up liquid spill into absorbent material. Do not eat, drink or smoke when using this product.

			Always wash hands after handling the product. Dilutions: CLEANING (MOPPING ONLY) 1: 50 (2%) HARD SURFACE CLEANING 1: 50 (2%)
FIRST AID MEASURES
