

## COSHH Risk Assessment

### Limescale Remover - 750ml\_BC035-75

PROCESS STAGE	POTENTIAL RISK	CONTROL MEASURES	ACTION REQUIRED
<b>HAZARDS IDENTIFICATION (2)</b>			
 Danger  (9) Colour: Yellow Appearance: Liquid. Odour: Lemon Fresh <b>pH 6.5</b>	<b>H318</b> Causes serious eye damage.	<ul style="list-style-type: none"> <li>• Provide adequate ventilation.</li> <li>• Store in tightly closed, original container</li> <li>• Avoid contact with skin and eyes.</li> <li>• Wear personal protective equipment.</li> <li>• Store in its original container.</li> <li>• Keep containers in secure storage areas. Restrict access to storage areas to authorised personnel.</li> <li>• Never mix cleaning chemicals together</li> </ul>	<ul style="list-style-type: none"> <li>• Use oldest stock first.</li> <li>• Make regular checks to ensure that storage area is clean and tidy.</li> <li>• Make regular checks to ensure that containers are not split or blown.</li> <li>• <b>DO NOT Mix</b> with other products</li> <li>• Keep container closed when not in use.</li> <li>• Avoid breathing spray.</li> <li>• Wash hands thoroughly after handling.</li> <li>• Ensure that operatives are aware of location of First Aid facilities and personnel</li> <li>• Ensure Good ventilation</li> </ul>
<b>STORAGE (7)</b>			
Containers must be stored upright in a cool, dry storage area. Product must be kept stored in its original container. Keep out of reach of children.	Risk of emission of noxious fumes if involved in a fire – product itself is not classed as flammable. Minimal risk of spillage if caps are firmly in place. Caps are not child proof.	Store away from Oxidising materials i.e. bleach and hypochlorite as toxic gas will be evolved.  Keep containers in secure storage areas. Restrict access to storage areas to authorised personnel.	Use oldest stock first. Make regular checks to ensure that storage area is clean and tidy. Make regular checks to ensure that containers are not split or blown.
<b>USAGE</b>			
Product is sprayed onto surface or applied with a cloth. Rinse with a clean damp cloth.	Risk of serious eye damage. Risk of inhalation.	Handle the containers with care. Wear Personal Protective Equipment. Ensure that the container is returned to store when not in use. Always read the manufacturer's instructions prior to use. Ensure that all spillages are wiped up immediately.	Provide employees with PPE as follows: <ul style="list-style-type: none"> <li>• Eye protection</li> <li>• Suitable protective clothing</li> <li>• Protective Gloves</li> </ul> When mixing solutions, ensure that operatives add product to water. Ensure that operatives are aware of location of First Aid facilities.
