

BUSINESS DECORATING CONTEST

WIN A TROPHY AND BRAGGING RIGHTS!

We are enhancing the Cowboy Christmas event this year with even more fun things to do and see for attendees. The event will be Saturday December 14th!

Of course, we will have the parade (we're adding an MC to announce entries and get the crowd excited), and Santa photos and kids' activities as we've always done, Plus the Christmas Market will return this year. And we will have live music and another heated event tent for attendees. There will be an after party at Craft Mountain Brewery with a cowboy dress up contests.

AND for the businesses, we're doing the **decorating contest** again this year! And there will be two awards this year. One for the outside and one for the inside.

Let's do it up right and make Bailey shine for the holidays.

All businesses with store fronts are encouraged to decorate their businesses, both inside and outside.. Where possible, see if you can incorporate a bit of the cowboy theme. The more lights, the better!

And we're incentivizing everyone with a contest to see who goes all out to cowboy up their décor to really help bring Cowboy Christmas to life in Bailey.

You're a creative bunch, so think about what you can do to stand out.

To participate, you will need to have your decorations up by no later than December 1, because judges will be going around between then and the event to do the judging.

The winners will be announced, and trophy awarded on Saturday December 14th during the festivities. And the winners will be featured in emails and social media posts.
