

ROUND-UP LIGHT PARADE December 14, 2024

GENERAL INFORMATION

We are enhancing the Cowboy Christmas event this year with even more fun things to do and see. And for the Parade, we are adding several new award categories:

Best of Show
Best Cowboy Theme
Best Christmas Theme
Best Music
Best Children's Focus

This year we are really amping up the cowboy theme for all the events. Of course, we will have Santa photos and kids' activities as we've always done. And we expanding the decorating contest for area businesses, there will be live music concert, a heated tent for attendees, an after party, cowboy dress-up contests and a Christmas market in a heated tent.

And we really want to increase the excitement and number of entries into the parade, which is the crowning centerpiece of our event.

This year we are again going to have a live MC who will be amping up the excitement by announcing all the entries as they come up the street. As such are asking people to register their entry for the parade this year.

COME ON BAILEY, LET'S REALLY DO IT UP BIG THIS YEAR!!!!

We know there are very creative folks up here in Bailey, so put on your cowboy hat and brainstorm some fun ideas. It doesn't have to be a huge traditional float, there are a million ideas. It could be a group of marchers – the only criteria is that you need to have something lit up.
