*Spotlight*

# **Alexis Howard**

Alexis wanted to work in this field because she wanted to advocate for individuals. She has worked in the field for 7 years!

She enjoys the little things in life with the person she supports! They listen to music and dance together. Sometimes they enjoy playing pranks!

In her free time she enjoys reading and will read to the person she works with.

The person that nominated Alexis said, “She has worked with them for over 5 years and has been a valuable resource to her uncle and mother. She has set aside personal goals to assist with their ongoing care, and she is excellent at it. She keeps everything in check and contributes to the team dynamic by assisting her mother in understanding resources that may be frightening to her. She has a lot of patience and care”
