PROVIDER SPOTLIGHT

ALEXIS HOWARD

Alexis wanted to work in this field because
she wanted to advocate for
individuals. She has worked in the
field for 7 years!

She enjoys the little things in life with the
person she supports! They
listen to music and dance together.

Sometimes they enjoy playing pranks!
In her free time she enjoys reading and
will read to the person she works with.

The person that nominated Alexis said,
"She has worked with them for
over 5 years and has been a valuable
resource to her uncle and mother.

She has set aside personal goals to assist
with their ongoing care, and she
is excellent at it. She keeps everything in
check and contributes to the
team dynamic by assisting her mother in
understanding resources that
may be frightening to her. She has a lot of
patience and care"
