## **PROVIDER SPOTLIGHT**

### **Chandra Gabbard**

Chandra has worked as an independent provider for 2 years. Her favorite part of being an independent provider is spending time and making memories with her son. This year they went to Siesta Key and went on a cruise to the Bahamas. Some favorite memories she has are when they travel. She loves seeing him experience new things. He got to hold a baby alligator, feed flamingos, swim with and feed stingrays and swam with pigs! He sang karaoke for the first time and made new friends! He says he's "famous" because everyone loved him! Those are the memories she loves. That is what fills her heart and that is what she loves about being a provider the most. To see him happy and thriving :) In Chandra's free time she enjoys traveling, learning new things, and photography! The person who nominated Chandra said "Chandra is always looking to learn new things about the provider process and expectations. She is truly a dedicated provider!"
