

**Overtime Rates- 2022 Update**

Overtime rates are available to eligible independent providers who work more than 40 hours in a work week under a waiver program or as a private duty nurse through the Ohio Departments of Medicaid (ODM), of Aging (ODA), and of Developmental Disabilities (DODD).

**January 2022**

For service dates beginning January 1, 2022, the Medicaid maximum payment rates are increasing for Homemaker/Personal Care (HPC), Participant-Directed Homemaker/Personal Care (PD-HPC), and On-Site/On-Call (OSOC). The new maximum payment rates for those services when the provider has worked over 40 hours in a calendar week from Sunday through Saturday are below.
