**Help in the Office:** We have had no concrete offers of assistance with Health & Safety or the Parish Newsletter over the past few weeks the advert has been in the newsletter. This work is all part of keeping the parish running smoothly and as they say 'Many hands make light work'. So if you can help in any way please speak to Stephen.

**Health & Safety:** We are in need of a volunteer to keep our Health & Safety programme up to date. This work is not arduous and entails using a software programme to keep risk assessments up to date. But it does need to be done regularly. If you have relevant qualifications in Occupational Health & Safety e.g. Certificate in Occupational Health & Safety, and can spare some time each week please speak to Stephen for more information.

**Newsletter:** We are in need of a volunteer to assist in the production of our newsletter This entails working opposite a current parishioner every other week. The newsletter needs to be completed in time for mass at St. Bride's church, Pontarddulais each Saturday. The volunteer would need to be familiar with Microsoft office as we use Word and Publisher to produce the newsletter. If you are interested speak to Stephen.

**Archbishop Outlines His Vision for the Archdiocese:** Archbishop Mark has published a pastoral letter, 'Heart speaks to heart', calling the Archdiocese to become a missionary and synodal diocese built on prayer and four pillars: youth and vocations, evangelising zeal, formation in faith, and loving service. The letter challenges Catholics to encounter Christ more deeply and share that encounter with others, and will be broken into six pieces for study during Lent or Eastertide. Read the full pastoral letter on the Diocese website. (<https://tinyurl.com/nmj5ppxk>)

There are a few **2026 Directory/Year Books** available in the porch for sale at £5 each.

Please note: Mass this Friday (6th) will commence at **9.00am.**

**NEWSLETTER:** For newsletter queries, please email [gorseinon@menevia.org](mailto:gorseinon@menevia.org).
