If you can bring the item you choose to the hall before mass someone will take care of them for you.

**STATEMENT FROM CATHOLIC BISHOPS CONFERENCE OF ENGLAND AND WALES** - The Catholic Bishops' Conference of England and Wales strongly opposes the terminally ill adults (end of life) bill. They raise concerns about the pressure it places on hospices and care homes and inadequate protections for healthcare workers' conscience rights. They urge people to contact their MPs to vote against the bill which will likely take place on 13th or 20th June. The full statement can be found on the parish website.
