

At LoveUrns® we care about design, aesthetics, quality, and emotions. We love small details.

Look closely at any LoveUrns® product, hold it in your hands and feel the passion and individuality of the artisan, smooth hand polished surface, painstakingly done hand engraving and comforting lead-free colors. Each urn is a work of art, lovingly crafted by several efficient craftsmen.

All our products are designed and developed by the LoveUrns® team and Handcrafted with Love™ within our own manufacturing facilities in India, completely free of child labor.

We employ skilled adult artisans, allowing educational opportunities for their children who otherwise might be required to work. When you purchase one of these handcrafted urns, it directly benefits Indian artisans by allowing them to support their families with dignity and purpose. It pays for better nutrition, advanced education, and healthcare.

LoveUrns® has a human face and we reach out to our employees in their time of need, supporting them and even taking care of the medical expenses of their family. We ensure that our employees love the work they do and that they have a healthy and safe workplace.

We support handicrafts as a powerful way to create a more sustainable economic system, transforming the market from profit-centered to people-centered. We believe that supporting local artisans is not only good for the community, but it is also good for the art. As rising technology demands substituting skilled workers with machines, it is important to continue to support hand-making goods as an economically viable occupational choice.

We continue to work in this area to expand the availability of responsibly produced cremation and funeral products across the globe.

We are here to make really good honest products.

TearDrop™

"If tears could build a stairway,
and memories a lane.
I would walk right up to Heaven
and bring you back again.

No farewell words were spoken,
No time to say "Goodbye".
You were gone before I knew it,
and only God knows why.

My heart still aches with sadness,
and secret tears still flow.
What it meant to love you -
No one can ever know.

But now I know you want me
to mourn for you no more;
To remember all the happy times
life still has much in store.

Since you'll never be forgotten,
I pledge to you today~
A hollowed place within my heart
is where you'll always stay."
