The Beauty of Granite

A COLOR FOR EVERYONE!

WHY GRANITE?

Granite is one of the most durable types of rock found within the earth. It's distinctive beauty and timeless quality make it the perfect material for memorializing a loved one. Each piece of granite has it's own unique qualities, texture, color and tonal differences that symbolize the uniqueness of each and every individual.

Choosing a granite color is the first step in creating a personalized memorial. We're dedicated to offering you quality granite from the most dependable quarries around the world. We are proud to bring you a wide selection of colors to choose from as you plan for yourself or your loved one.

Legacy

MEMORIALS

The personalization of a monument is not only how it is sandblasted or etched, it is also in the fundamental form and color of the stone itself. When you choose one of our exquisite Legacy Memorials, you will get a completely unique monument for yourself or your loved one. Finish it with laser artwork for an ultra-personalized stone that all will adore.

Complete your design with our finishing touches! Our HS02 is beautiful alone, but by adding your favorite photos and memories, you turn it into a glorious display that will be admired for generations to come.

Cremation SOLUTIONS

**cremation
memorials**

It's what's above ground that matters! When opting for cremation, keep in mind that cremation is just a prelude to memorialization. Whether you are planning for a loved one, or your own memorialization, it is important to remember that opting for cremation does not eliminate the need to be memorialized - everyone deserves their name in granite forever!

A BRIGHT IDEA!

Granite solar lights are low maintenance, energy efficient and made out of 100% granite. The nickel metal hydroid battery charges by day and powers the included LED light by night. A built in sensor will power off the light automatically. You can also use the switch within the unit to turn the light on and off as you desire. Replacement solar lights available.

Every Life has a Story to Tell

Our Endless Affection™ Laser Series allows you to capture the legacy of a life once lived. Whether it be a single special photograph, or a series of photos or a special scene of your choice, our designers will create a unique and ultra-personalized tribute specifically designed for and about your loved one.

Tell the Story of a Life in 4 Easy Steps

1. Select favorite photos, mementos, quotes or a special scene that signifies the life of your loved one.
2. Choose a memorial and a memorial size.
3. Provide photographic elements and ideas. A skilled designer will create a detailed proof of your artwork. You will then see a proof of the final layout of your stone.
4. Once the proof is approved, our laser artist will turn your artwork into a truly unique, ultra-personalized memorial that will be admired for generations to come.

DIAMOND HAND

ETCHING

***A skillful artist** brings a certain magic to the scenes they create. Whether it be by their style or the little extras they add, the end result often transcends reality. Diamond hand etching is surely the apex of memorial art.*

When you have a unique idea in mind, often times, a Diamond Hand Etching will be your best option, because no matter how unique your idea may be, our talented artists can hand etch anything onto black granite.

BLACK & WHITE

Diamond engraved with depth and clarity into high contrast Jet Black granite. The etching will last as long as the polish on stone.

COLOR Hand Etching

Colors add light and life to an etching. While the color is guaranteed for 10 years, after the colors fade it will remain a beautiful black and white etching.
