What size dumpster should I rent for my Haymarket project?

10 or 12-yard dumpsters are great for small cleanouts or garage junk. 15-yard is ideal for roofing jobs or partial renovations. 20 to 30-yard dumpsters work best for full home renovations or construction debris.

Do you offer same-day or next-day dumpster delivery in Haymarket?

Yes! We proudly offer same-day and next-day delivery to Haymarket and surrounding areas like Gainesville, Buckland, and Dominion Valley. Early morning calls often qualify for same-day drop-offs.

What types of debris can I load into the dumpster?

You can load: Household junk & furniture, remodeling debris (drywall, flooring, cabinets), yard waste, roofing materials (shingles, tar paper), concrete, brick, and asphalt. Have mixed debris? Let us help guide you to the best dumpster option.

Will the dumpster damage my Haymarket driveway?

Our hook-lift trucks provide precise and gentle placement, even on tight or paved driveways. We suggest placing boards under the dumpster for added protection — and we'll help with that if needed.

How long can I keep the dumpster in Haymarket?

Standard dumpster rentals in Haymarket include 7 days, but we're flexible! Need more time? Ask about daily extension options for longer cleanups or ongoing renovations.

Do I need a permit to rent a dumpster in Haymarket, VA?

If the dumpster will be placed on private property (like your driveway), no permit is required. However, if placement is on a public street or HOA-controlled area, a permit or HOA approval may be needed. We'll help you with this during booking.
