

ALLELUIA!

Saint John Fisher Church
4225 Chichester Avenue
Upper Chichester, PA 19061

Dear Saint John Fisher Parishioners,

He is truly Risen! He is Risen indeed! This traditional Easter Greeting echoes the joy of the apostles and early Church encountering the Risen Jesus. After a very cold and snowy winter, I am truly longing to share in fresh resurrection experiences of the Risen Jesus this Easter.

In preparation for Easter, I have been sharing a homily series on the five steps of growing as a missionary disciple. In this homily series, I have been encouraging our community to respond to the Lord's call to grow in Service, Tithing, Engagement in small faith sharing groups, Prayer, and Sharing faith in the Risen Jesus with others.

These Five STEPS of missionary discipleship are what we are all about at Saint John Fisher parish. Something very exciting is happening here at Saint John Fisher. I can feel it. We are growing as a community of missionary disciples.

Missionary disciples are exciting to be around. Missionary disciples live in close contact with the Risen Jesus. Missionary disciples, know, love and share the Risen Jesus. This is happening and happening more and more at Saint John Fisher.

Thank you for your ongoing gift of time, talent and treasure which makes Saint John Fisher so alive in the Risen Jesus' Presence. Your Easter offering is greatly appreciated and helps us continue to grow as a parish of missionary disciples who are walking in, growing in and sharing in the Light and Warmth and Love of the Risen. Thank you in advance for your generosity. I feel so very blessed to be the Pastor of Saint John Fisher Church. Please be assured of my, Deacon Dan's and Father Devlin's prayers, and please pray for us. Happy Easter!

Yours in Christ,

Father Jim Otto
