# BAKERY SERIES

## CHERRY PIE KIT

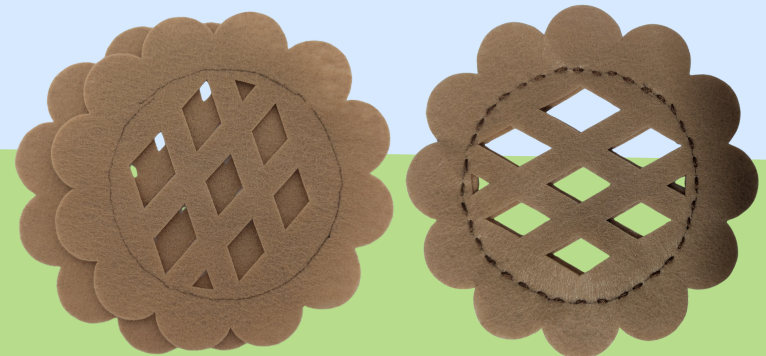

# PIE TOP INSTRUCTIONS

**Position the circle piece on top of one top shell piece. Lightly trace around the circle to create a guide.**

Place the second top shell on top of the first.

Use a running stitch to sew the two top shell pieces together around the line you just drew.

# Three Sewing Needles

## One Needle Threader

### Stuffing

### Thread

# Stitch the Crust:

Use a blanket stitch to sew around the outer edge of the crust, adding stuffing as you go to create a soft, rounded shape.

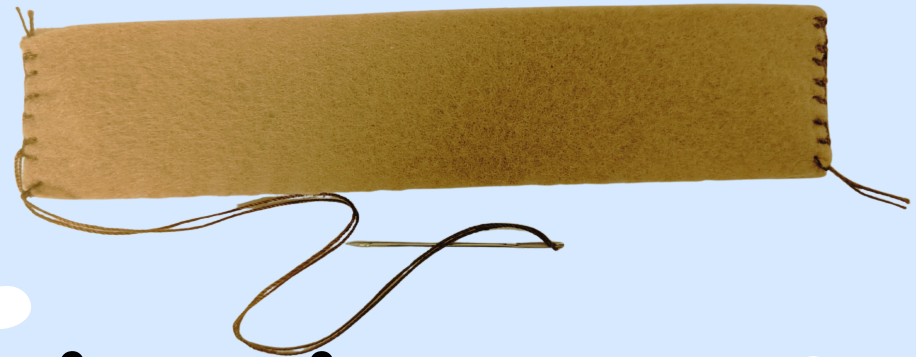

## PIE BOTTOM INSTRUCTIONS

### Prepare the Crust Sides:

Stack all four 7-inch pieces together.

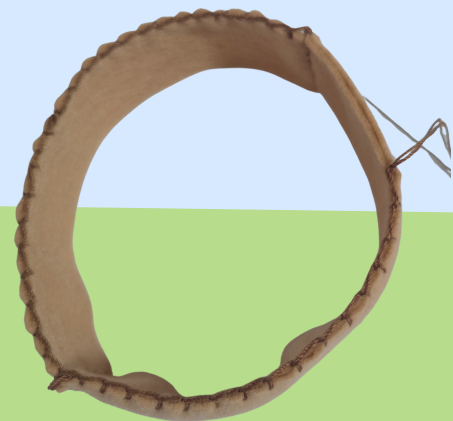

Blanket stitch the ends of the stack together to join them.

### Shape the Crust Ring:

Open the stacked strip into a ring so that two layers form each side of the crust wall.

Blanket stitch around the top edge of the ring to secure the layers.

# Attach the Base:

Pin the circle piece to the bottom of the crust ring.

Blanket stitch all the way around to attach the bottom securely.

Fill your pie with the felt cherries, then place the top crust on and stitch it closed for a sweet handmade finish!

# Make the Stem

Take one rectangle and fold it in half lengthwise.

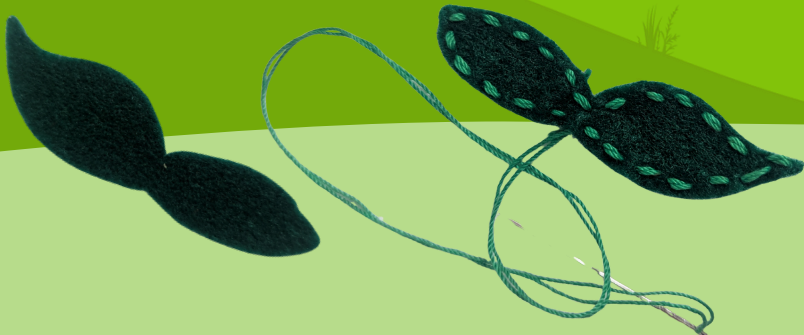

Use a blanket stitch along the open side to create a skinny stem.

# Sew the Leaf

Grab one green leaf.

Use green thread and a running stitch around the edge of the leaf to give it a finished look.

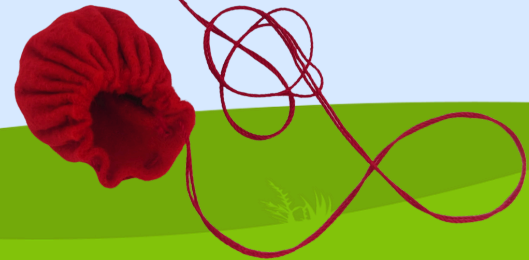

# Make the Cherry

Use one red circle.

Running stitch around the edge, Pull tight leaving a small opening.

Add a small amount of stuffing.

Pull the running stitch tight to close each cherry.

# Attach the Leaf to the Stem

Fold the stitched stem in half so it forms a V-shape.

Place the leaf in the fold at the top.

Use a single stitch or running stitch to secure the leaf to the folded stem.

# Attach the Cherries to the Stem

Attach a cherry to each end of the stem.
