- Single stitch the blue circle (with rainbow) onto the large rectangle piece, positioning it 1/4 inch from the bottom and 1/2 inch in from the side.

Create the Marshmallows

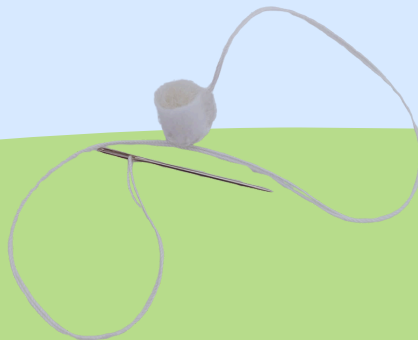

- Use one small rectangle and two small circles.

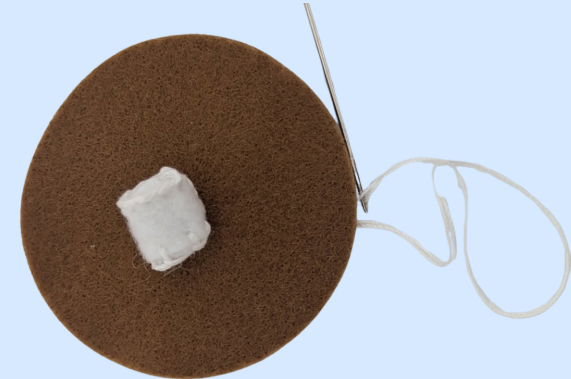

- Create a marshmallow shape by blanket stitching one long edge of the rectangle all the way around the edge of the circle to attach them together, then cut off any extra length of the rectangle.

- Blanket stitch the side seam of the rectangle closed to form a cylinder.
- Add stuffing to fill the marshmallow.

- Blanket stitch the second small circle to the open end of the marshmallow.
- Before cutting off your thread, stitch the finished marshmallow onto the brown circle.

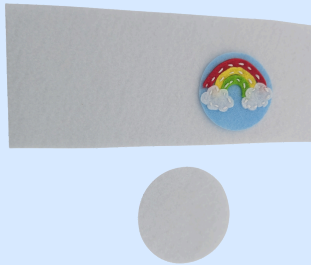

- Repeat steps 1–6 two more times to make a total of three marshmallows.
