Sewing Instructions

Step 1.

Using red thread, single stitch the white stripes onto two of the large red felt pieces (front and back) and two of the smaller pieces (sides).

Step 2.

Using red thread, single stitch the white stripes onto two of the large red felt pieces (front and back) and two of the smaller pieces (sides).

Step 3.

Using red thread, stitch the design onto the front piece.

Sewing Instructions

Step 4.

Using red thread, stitch the design onto the front piece.

Step 5.

Add stuffing.

Step 6.

Finish stitching along the edge to complete the seam.

Step 6.

Add a piece of red felt to the back of each striped piece.

Blanket stitch around each one to secure the layers together.

Step 7.

Finish stitching along the edge to complete the seam.

Blanket stitch all the way around the top edge to finish.

Popcorn Sewing Instructions

Step 8.

Weave your needle in and out all the way around the edge, but do not cut your thread.

Add a small amount of stuffing, then pull the thread tight to close the opening. Finish with a secure knot.

Congratulations! All done!
