In the 2025.2026 school year, the average award for a qualifying family was 55% of each enrolled student's tuition (please note awards are capped at 55% and vary from year to year as they are dependent on the amount of donations to the school's EITC program). The organization FACTS reviews and approves all applications via an online portal (this portal opens in the Spring for existing families and in the Fall for new families).
